| ♊ North Node | in ♒ Aquarius | | 16°31'23" | VII Rx |
| ♁ Lilith | in ♎ Libra | | 3°03'14" | III |

KEY TRANSIT FACTORS

♇ Pluto * Sextile ♃ natal Jupiter · Sunday 26 Dec ★

While this lasts, you feel more willing to **take calculated risks** and act on opportunities that normally would intimidate you. You're noticing that your instinct for what could work is sharper than usual, and people respond well when you pitch ideas or ask for what you need. Over the coming weeks, this confidence tends to open doors in practical areas like work, finances, or learning something new.

♁ Chiron qx Quincunx ☾ natal Moon · Monday 20 Dec

Over the coming weeks, you may notice that **small emotional upsets feel oddly difficult to shake**, even when you know they are not serious. Your usual ways of calming yourself down do not work as smoothly, and you might find yourself replaying conversations or moments longer than typical. This temporary mismatch between how you want to feel and what is actually happening emotionally can push you to try different approaches to managing your moods.

♆ Neptune ∟ Semi sextile ♂ natal Mars · Sunday 26 Dec

Right now your usual drive to act is softened by a gentler, more intuitive approach to what you want. You find yourself **listening to your gut before charging ahead**, which actually helps you avoid wasted effort and see better options. Over the coming weeks, this combination of *Neptune* and *Mars* lets you pursue your goals with less force and more imagination, making your efforts feel easier even when you're working hard.

♊ NNode ♂ Opposition ♆ natal Neptune · Monday 20 Dec

Right now you are **caught between what you want to believe and what actually works**, and it is making you second-guess your choices. You may find yourself drawn to unrealistic plans or people who promise too much, only to hit a practical wall that forces you to face facts. Over the coming weeks, this friction will push you to get honest about where you are avoiding reality and to build something more solid instead.

♃ Jupiter □ Square ♃ natal Jupiter · Monday 20 Dec

Right now you're caught between wanting to expand too fast and hitting real practical limits. You overestimate what you can handle, say yes to too much, and then feel frustrated when reality doesn't cooperate with your plans. These friction points are teaching you where your actual resources end, but the lesson feels annoying rather than helpful **while it lasts**.

♊ NNode ♂ Conjunction ♄ natal Saturn · Monday 20 Dec

You are more aware right now of where you need to set limits and take responsibility, and you find it easier to say no to things that drain you. This period pushes you to **get serious about your commitments** and cut away what does not matter. Over the coming weeks, you may feel less interested in socializing or taking risks, and more focused on building something solid that will actually last.

♄ Chiron ♂ Opposition ♁ natal Uranus · Sunday 26 Dec

Right now you feel caught between wanting to break free and being afraid of what happens if you do. Your usual ways of handling independence stop working, leaving you frustrated and looking for an escape route that does not exist. Over the coming weeks, this friction forces you to see exactly where you have been avoiding responsibility for your own choices instead of blaming outside limits.

♆ Neptune ☐ Square ♀ natal Venus · Monday 20 Dec

Right now you are **drawn to people and situations that are not what they seem**, and you will likely regret the time and money you invest in them. *Neptune* is blurring your judgment about what you actually want from relationships and what others can realistically give you. Over the coming weeks, pay close attention to the gap between the promises people make and what they actually deliver, because your usual ability to read a situation is temporarily offline.

♄ Saturn △ Trine ♁ natal Uranus · Monday 20 Dec

Right now you find it easier to turn your unusual ideas into actual plans that work. You can **think in practical steps** without losing what makes your vision interesting or different. This period is ideal for starting projects that need both creativity and solid organization, because your brain is naturally balancing both at once.

♃ Jupiter ☐ Quincunx ♇ natal Pluto · Monday 20 Dec

Over the coming weeks, you may feel **restless with situations you thought were settled**, wanting to change things that previously felt stable or important to you. Your confidence in what you control grows, but it doesn't match up neatly with what's actually possible right now, leaving you frustrated. These misalignments between what you want to reorganize and what the real world allows are the main friction you'll notice while *Jupiter* stays at odds with your *Pluto*.

♀ Venus Rx · ♄ Capricorn

Commitments made out of practicality rather than genuine connection are being quietly examined right now. Relationships with authority figures, professional partnerships, or long-term romantic arrangements may feel more burdensome than rewarding. This is a useful period for honest assessment — not for ending things prematurely.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence
