KEY TRANSIT FACTORS

☿ Mercury ☌ Conjunction ☉ natal Sun ★

Right now your thinking is clearer than usual, and you find yourself talking more and explaining your ideas without effort. People around you respond better to what you say because you're **more direct and confident in conversation**. These few weeks are a good time to handle emails, meetings, or decisions that need clear communication.

♊ NNode △ Trine ☿ natal Mercury

These days you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. Your conversations flow more naturally, and people seem to understand you better than usual because you're communicating more clearly and directly. Over the coming weeks, this clarity helps you connect with others on practical matters, whether that's settling a disagreement, explaining something important, or just being heard in a group.

♇ Pluto ☌ Conjunction ♀ natal Venus

You're experiencing **unusually intense feelings about your relationships and what you want from them**. Your attractions feel deeper and more serious than usual, and you may find yourself wanting to control or reshape a partnership in some way. These shifts won't last long, but while *Pluto* is conjunct your natal *Venus*, expect your emotional needs to feel non-negotiable.

♂ Mars ☌ Opposition ☾ natal Moon

Right now you're more **irritable and quick to react** than usual, especially when someone upsets your plans or questions your feelings. Your emotional responses feel stronger and harder to control, which can create unnecessary conflict with people close to you. These days you need to notice this pattern and step back before you speak, because your impulse to push back or argue is working against you.

☉ Sun △ Trine ♂ natal Mars

Right now you're finding it easier to **act on what you actually want** instead of hesitating or second-guessing yourself. Your confidence in your own decisions is natural and steady, so tasks that normally feel like a push come through with real effort behind them. Over the coming weeks, you'll likely notice you're getting things done and people respond well to your direct, purposeful approach.

☿ Mercury Rx · ♏ Sagittarius

Plans for travel, education, or big-picture goals hit unexpected snags right now. Opinions expressed with too much confidence may need to be walked back, and long-distance communications often get garbled. This is a better period for reviewing beliefs than for broadcasting them.

♄ Saturn Rx · ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ∟ Semi sextile ♂ Mars

These days you feel **motivated to take small steps forward** without forcing things or burning out. Your practical energy matches what you actually want to do right now, so starting a project or having a difficult conversation feels less exhausting than usual. This is a good window to build momentum on something you care about while the effort still feels natural.

LUNAR DAY

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
