KEY TRANSIT FACTORS

☉ Sun ☐ Square ♃ natal Mercury

Right now you're finding it hard to say what you actually mean, and people keep misunderstanding you even when you're trying to be clear. Your **thoughts feel scattered and your words come out wrong**, which makes conversations frustrating for everyone involved. Over the coming weeks, you'll need to slow down and write things out or repeat yourself more often, because your usual way of communicating just isn't landing.

♁ NNode * Sextile ♆ natal Neptune

While this lasts, you find it easier to **trust your instincts about people and situations** without needing to overthink everything. Your imagination and practical sense are working together right now, so you can pick up on what others need without them having to spell it out. These small acts of understanding often lead to real connections that feel less forced and more genuine than usual.

♆ Neptune * Sextile ♀ natal Venus

Right now you're more **willing to see people as they want to be seen rather than how they actually are**, which softens your relationships in a real and practical way. You feel less critical of your partner or close friends and more inclined to give them the benefit of the doubt when things go wrong. Over the coming weeks, this gentler outlook makes your social life feel easier and your connections feel warmer, even though nothing concrete has actually changed.

♁ Chiron Δ Trine ♇ natal Pluto

Over the coming weeks, you find it easier to **talk honestly about difficult things** without getting defensive or shutting down. People respond well to your openness because you're not attacking or blaming them, just saying what actually happened and how it affected you. This period gives you a practical window to repair relationships or clear the air in conversations you've been avoiding.

♁ NNode Δ Trine ♇ natal Pluto

You find it easier right now to **face difficult truths about yourself without feeling defensive**. People respond well when you talk about what you actually want instead of what you think you should want. Over the coming weeks, this honesty opens doors that staying quiet would have kept closed.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ☾ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ☐ Square ♃ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

LUNAR DAY

Moon in ♋ Cancer · Day 23 / 30 · Last Quarter

Sensitivity to tone and atmosphere runs higher than usual over the next 48 hours, making small remarks feel more significant than intended. **The draw toward home, familiar food, and trusted people** dominates most decisions.
