KEY DATE

♀ Venus enters ♏ Sagittarius

Venus in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

KEY TRANSIT FACTORS

♁ NNode ☐ Square ♅ natal Uranus

Right now you're caught between wanting to break free and feeling pulled toward fitting in with a group or community, which creates real friction in your social life. You might find yourself saying yes to commitments you don't actually want, then suddenly rejecting them or picking fights over small things. Over the coming weeks, this restlessness will push you to examine which relationships or groups are genuinely yours and which ones you've stayed in out of habit or obligation.

☾ Moon * Sextile ♄ natal Saturn

Right now you find it easier to **stick to what you say you'll do**, and people notice. Your practical side is working well with your emotional side, so you can talk about your feelings without falling apart or getting lost in them. Over the coming weeks, you're likely to follow through on commitments and feel more grounded when dealing with difficult conversations.

♆ Neptune * Sextile ♀ natal Venus

Right now you're more **willing to see people as they want to be seen rather than how they actually are**, which softens your relationships in a real and practical way. You feel less critical of your partner or close friends and more inclined to give them the benefit of the doubt when things go wrong. Over the coming weeks, this gentler outlook makes your social life feel easier and your connections feel warmer, even though nothing concrete has actually changed.

♁ Lilith ☌ Conjunction ♀ natal Venus

Right now you are more willing to say no to people and situations that do not feel right to you, even if you normally worry about disappointing others. You may notice yourself **rejecting compliments or attention** that feels shallow or that comes with strings attached. These days *Lilith* at your *Venus* is making you pickier about who deserves your time and affection.

♁ Chiron * Sextile ♆ natal Neptune

Over the coming weeks, you find it easier to **talk about your feelings without overdoing the drama**. Your natural compassion stays intact, but you're less likely to get lost in someone else's problems or your own fantasies about what they need. This is a good time to offer real support to people around you because you can actually listen instead of just projecting your own hopes onto their situation.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun △ Trine ♃ Neptune

These days you feel **more comfortable being yourself around others** without needing to explain or defend who you are. People respond better to you right now because you're relaxed enough to listen to what they actually need instead of pushing your own agenda. This period favors creative work, gentle conversations, and situations where you can help someone without it costing you anything.
