♁ North Node	in ♎ Libra	11°07'00"	VIII Rx
♁ Lilith	in ♊ Gemini	26°56'07"	V

## KEY DATE

### ☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

## KEY TRANSIT FACTORS

### ☾ Moon □ Square ♂ natal Mars ★

These days you are **more irritable than usual and quicker to snap at people** over small things. Your emotional state is raw right now, and your usual patience for waiting or compromising has worn thin. Over the coming weeks, you may find yourself picking fights or pushing people away when what you actually need is to slow down and let this restless mood pass.

### ☾ Moon qx Quincunx ♁ natal NNode ★

You feel **slightly out of step with what you normally want to work toward**, as if your immediate emotional needs don't quite match your longer-term direction. This mismatch creates a mild restlessness where you question whether you're on the right track, even though nothing concrete has changed. Over the coming weeks, you'll likely make small practical adjustments to your routine or goals just to reduce the discomfort.

### ☉ Sun △ Trine ♁ natal Chiron ★

Right now you find it easier to talk about past hurts without becoming defensive or withdrawn. You're **more willing to listen to feedback** about your weak spots and actually do something practical with it. These few weeks are a good window to work on old patterns that usually trip you up, since you're approaching them with less shame and more actual curiosity.

### ☉ Sun ♂ Opposition ♃ natal Jupiter ★

Right now you're running into limits on your confidence and optimism that can feel frustrating. You may **overcommit to plans or promises** only to realize you don't have the resources or energy to follow through, leaving you embarrassed or defensive. Over the coming weeks, the practical lesson is to check your assumptions before you say yes, because your instinct to be generous is working against your actual capacity.

### ♂ Mars □ Square ☾ natal Moon ★

Right now you are **more irritable than usual**, especially when someone questions your feelings or tells you to calm down. Your emotional reactions feel faster and stronger, and you may say things in anger that you later regret. Over the coming weeks, watch for moments when you're snapping at people close to you over small things that normally wouldn't bother you.

## ☿ Mercury Rx · ♄ Capricorn

Professional communications and career-related decisions are prone to misalignment right now. Contracts, applications, or plans that seemed finalized may need revisiting before they are acted on. The careful checking you do now prevents public errors later.

## ♂ Mars Rx · ♌ Leo

The desire for recognition and creative output is present but blocked or redirected during this period. Ambitions that felt exciting may feel suddenly hollow, or effortful performance yields less response than expected. Reassessing your goals is more honest and productive now than seeking visible results.

## ☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

## ☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

## ☉ Sun □ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

*\* = natal resonance — this transit echoes your birth chart, amplifying its influence*

## LUNAR DAY

Moon in ♉ Taurus · Day 11 / 30 · First Quarter

**The pace slows considerably** during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.

## CLOTHING & JEWELRY

Sunday · ☉ Sun · Venus in Sagittarius

Sunday is the Sun's day — gold, warm orange, or amber tones radiate confidence and vitality. Sunstone or citrine worn visibly invites creativity and positive attention.
