KEY TRANSIT FACTORS

♀ Venus ☌ Semi sextile ♀ natal Venus

Over the coming weeks, you find it easier to **enjoy what you already have** without feeling the need to chase something better. Small moments of comfort feel genuinely satisfying, whether that's a conversation with someone you care about or time spent on something you like. This gentle support from *Venus* helps you appreciate the relationships and pleasures in your life right now, without pushing for dramatic changes.

♊ NNode ☌ Trine ♁ natal Pluto

You find it easier right now to **face difficult truths about yourself without feeling defensive**. People respond well when you talk about what you actually want instead of what you think you should want. Over the coming weeks, this honesty opens doors that staying quiet would have kept closed.

♊ NNode ☌ Opposition ♆ natal Neptune

Right now you are **caught between what you want to believe and what actually works**, and it is making you second-guess your choices. You may find yourself drawn to unrealistic plans or people who promise too much, only to hit a practical wall that forces you to face facts. Over the coming weeks, this friction will push you to get honest about where you are avoiding reality and to build something more solid instead.

♂ Mars ☌ Square ♂ natal Mars

Right now you feel **irritable and quick to react** to small frustrations that normally wouldn't bother you. Your impatience makes it hard to work through tasks methodically, and you might snap at people or rush into decisions you later regret. This friction between what you want to do immediately and what actually needs doing tends to create conflict at work and at home over the coming weeks.

♂ Mars ☌ Quincunx ♊ natal NNode

Over the coming weeks, you may notice yourself **pushing harder toward goals that don't quite fit what you actually want**. Your drive and impatience are working against your natural instincts about which direction makes sense for you. This friction usually passes as you learn to slow down and check whether your effort is pointed the right way.

☉ Sun ☌ Quincunx ☾ Moon

At the moment, your **emotional needs and practical goals are pulling in different directions**, and this creates a low-level discomfort that's hard to name. You might feel restless or slightly out of sync—your body wants one thing while your mind is focused on something else entirely. This isn't a crisis, but it does mean you'll need to make small adjustments throughout the day to feel more settled.

☉ Sun ☌ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☿ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

LUNAR DAY

Moon in ♋ Cancer · Day 13 / 30 · Waxing Gibbous

Sensitivity to tone and atmosphere runs higher than usual over the next 48 hours, making small remarks feel more significant than intended. **The draw toward home, familiar food, and trusted people** dominates most decisions.
