## KEY DATE

### ☿ Mercury stations Direct

*Mercury* stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

## KEY TRANSIT FACTORS

### ♃ Jupiter \* Sextile ♀ natal Venus

These days you find it easier to say yes to social invitations and connect with people who matter to you. You feel **naturally generous** with your time and attention, which makes others want to be around you more. This period is ideal for deepening friendships, starting new relationships, or simply enjoying the company you keep without forcing anything.

### ♂ Mars \* Sextile ♀ natal Venus

Right now you find it easier to **take initiative in relationships and express what you want** without overthinking or holding back. You feel more confident approaching people socially, whether that means starting conversations, making plans, or letting someone know you are interested in them. This practical confidence tends to smooth things out because you are direct without being aggressive, and people respond well to your straightforward warmth.

### ☿ Mercury \* Sextile ♂ natal Mars

These days you find it easier to say what you actually want without overthinking it, and people respond well to your directness. Your mind is **quick and purposeful**, so tasks that normally feel scattered come together faster when you tackle them head-on. This is a good window to pitch ideas, negotiate, or take action on something you've been planning.

### ♆ Neptune ☐ Square ♀ natal Venus

Right now you are **drawn to people and situations that are not what they seem**, and you will likely regret the time and money you invest in them. *Neptune* is blurring your judgment about what you actually want from relationships and what others can realistically give you. Over the coming weeks, pay close attention to the gap between the promises people make and what they actually deliver, because your usual ability to read a situation is temporarily offline.

### ☾ Moon ∟ Semi sextile ☾ natal Moon

Your **emotional reactions feel more measured** right now, and you notice yourself handling small frustrations without letting them pile up. People around you respond better because you're not carrying yesterday's mood into today's conversation. Over the coming weeks, this steadier emotional baseline makes it easier to notice what you actually need instead of just reacting to what's in front of you.

### ☉ Sun ☿ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

### ☉ Sun △ Trine ♃ Jupiter

Right now you feel **more confident about your abilities** and you're likely to take on tasks you've been putting off. People around you notice your optimism and it spreads, making conversations easier and collaborations feel lighter. This is a practical window where your effort tends to produce visible results, so taking action on something you care about usually pays off.

### ☉ Sun □ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

## LUNAR DAY

---

Moon in ♈ Aries · Day 14 / 30 · Waxing Gibbous

**Impatience with delays** rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.

## CLOTHING & JEWELRY

---

Tuesday · ♂ Mars · Venus in Sagittarius

Tuesday is ruled by Mars — bold red, burgundy, or deep crimson channel the day's active energy. Ruby or garnet worn close to the body strengthens initiative and courage.
