KEY TRANSIT FACTORS

☾ Moon ☐ Square ♂ natal Mars ★

These days you are **more irritable than usual and quicker to snap at people** over small things. Your emotional state is raw right now, and your usual patience for waiting or compromising has worn thin. Over the coming weeks, you may find yourself picking fights or pushing people away when what you actually need is to slow down and let this restless mood pass.

♁ Chiron △ Trine ☉ natal Sun ★

Over the coming weeks, you find it easier to **talk about your past struggles without shame**, and people respond by listening instead of judging. Your confidence in handling difficult conversations improves naturally, and you notice you can help others through their problems without getting stuck in them yourself. This period gives you a practical window to work through something that has bothered you for a while, and your clarity right now makes the work feel less heavy.

♁ Chiron △ Trine ☿ natal Mercury ★

You find it easier to talk about your own struggles and listen without judgment when others share theirs. Your conversations tend to be more honest and direct, and people seem to appreciate your **practical, grounded way of discussing difficult topics**. Over the coming weeks, this natural clarity helps you connect with people on a real level instead of staying stuck in surface talk.

☉ Sun ♂ Conjunction ☿ Mercury ★

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

♀ Venus ★ Sextile ♁ natal Chiron

Right now you find it easier to be kind to yourself about your past mistakes and insecurities. You're more likely to **accept your own flaws without harsh judgment** and actually mean it. This shift makes it simpler to have honest conversations with people you care about, since you're not defending yourself or hiding anymore.

♀ Venus ♂ Conjunction ♃ natal Jupiter

You feel more generous with your time and money right now, and people respond well to this openness. You're likely to say yes to social invitations, spend freely on things that bring pleasure, and **show up as warmer and more approachable than usual**. This window won't last long, so any goodwill you build or connections you strengthen during these weeks tend to stick around after the transit fades.

☿ Mercury Rx · ♌ Leo

Self-expression feels less fluid right now and there is a tendency to overthink how you come across to others. Conversations about recognition, creative projects, or past performances may resurface during this period. Creative work benefits more from revision than from new starts right now.

♄ Saturn Rx · ♈ Aries

Structures built on impulse rather than genuine foundation are being tested right now. Rules and commitments that felt constraining may now feel simply necessary. This period asks you to distinguish between the discipline you are avoiding and the limits that are genuinely serving your growth.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.
