KEY DATE

♀ Venus enters ♉ Taurus

Venus in *Taurus* shifts how people handle money and relationships — you'll notice a **stronger pull toward stability** and less tolerance for drama or sudden changes. In work and friendships, this transit brings a **preference for steady progress** over risky moves, and people tend to stick with what works rather than constantly switch direction. Physical comfort matters more now, so expect **more attention to food, comfort items, and routine pleasures** as people naturally invest in things that feel reliable and good.

KEY TRANSIT FACTORS

♁ Chiron △ Trine ☉ natal Sun ★

Over the coming weeks, you find it easier to **talk about your past struggles without shame**, and people respond by listening instead of judging. Your confidence in handling difficult conversations improves naturally, and you notice you can help others through their problems without getting stuck in them yourself. This period gives you a practical window to work through something that has bothered you for a while, and your clarity right now makes the work feel less heavy.

☾ Moon □ Square ♀ natal Venus

Right now you feel emotionally out of step with the people closest to you, making it hard to enjoy their company or feel appreciated by them. You may pick fights over small things or withdraw when you normally would reach out, leaving relationships feeling **strained and disconnected**. These days your mood swings can make you seem ungrateful or cold, even when that is not what you intend.

♀ Venus * Sextile ♃ natal Jupiter

Right now you find it easier to say yes to social invitations and to be generous with your time and money without feeling like you're overdoing it. People respond well to you these days because you're **more relaxed and approachable**, which opens doors in both your personal relationships and practical opportunities. This period is ideal for asking for what you want or pursuing something you've been putting off, since your confidence and optimism are naturally higher.

☉ Sun △ Trine ♂ natal Mars

Right now you're finding it easier to **act on what you actually want** instead of hesitating or second-guessing yourself. Your confidence in your own decisions is natural and steady, so tasks that normally feel like a push come through with real effort behind them. Over the coming weeks, you'll likely notice you're getting things done and people respond well to your direct, purposeful approach.

♀ Venus ♂ Conjunction ♁ natal Chiron

Right now you are more willing to talk about what hurts you, and people respond with genuine care instead of judgment. You notice **old insecurities feel less raw** when you mention them out loud—someone's kindness or interest makes the shame fade a little. Over the coming weeks, small acts of acceptance from others will matter more to you than they normally do.

☉ Sun ∟ Semi sextile ♄ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun □ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

☉ Sun ∟ Semi sextile ♁ NNode

These days you find it easier to **act on what matters to you without overthinking**. Your decisions feel more natural and less forced, so you move forward on things you've been putting off. This period supports practical progress because you're not stuck in doubt or second-guessing yourself.

** = natal resonance — this transit echoes your birth chart, amplifying its influence*
