KEY TRANSIT FACTORS

☉ Sun ☿ Conjunction ☿ natal Mercury · peak 21 Dec ★

Right now your thinking is sharper and you naturally want to talk more than usual. You find it easier to explain what you mean and people listen better when you speak, which makes **communicating your ideas** feel less effortful. These days your mind moves quickly and you pick up details others miss, though you may jump between topics faster than normal.

☿ Mercury ☿ Conjunction ☉ natal Sun · peak 1 Dec ★

Right now your thinking is clearer than usual, and you find yourself talking more and explaining your ideas without effort. People around you respond better to what you say because you're **more direct and confident in conversation**. These few weeks are a good time to handle emails, meetings, or decisions that need clear communication.

♃ Jupiter ∟ Semi sextile ♅ natal Uranus · peak 11 Dec

Over the coming weeks, you feel **more willing to try new approaches** without abandoning what already works for you. Small opportunities for practical change show up in your routines, and you have the confidence to test them out. This is a good time to experiment with a new habit or way of doing something because the risk feels manageable and the potential payoff feels real.

♁ NNode △ Trine ☉ natal Sun · peak 11 Dec

Right now you find it easier to **say what you actually want** instead of staying quiet or going along with others. People around you respond well to your directness because it comes across as honest rather than aggressive. Over the coming weeks, you might notice doors opening simply because you stopped hiding what matters to you.

♇ Pluto ☿ Conjunction ♀ natal Venus · peak 7 Dec

You're experiencing **unusually intense feelings about your relationships and what you want from them**. Your attractions feel deeper and more serious than usual, and you may find yourself wanting to control or reshape a partnership in some way. These shifts won't last long, but while *Pluto* is conjunct your natal *Venus*, expect your emotional needs to feel non-negotiable.

♁ NNode △ Trine ☿ natal Mercury · peak 2 Dec

These days you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. Your conversations flow more naturally, and people seem to understand you better than usual because you're communicating more clearly and directly. Over the coming weeks, this clarity helps you connect with others on practical matters, whether that's settling a disagreement, explaining something important, or just being heard in a group.

♃ Jupiter * Sextile ♆ natal Neptune · peak 23 Dec

Over the coming weeks, you find it easier to **trust your intuition without overthinking**, and this quieter confidence actually helps you make better decisions in practical situations. Your imagination feels less chaotic right now, and you can use creative ideas to solve real problems at work or in your relationships instead of getting lost in them. This is a good window to act on something you've been imagining or planning, because your instincts and your common sense are actually working together.

♃ Jupiter ☌ Conjunction ♇ natal Pluto · peak 24 Dec

Right now you are drawn to situations where you can take charge and reshape things that feel stalled or broken. You may push harder than usual to gain control over a project, relationship, or part of your life that frustrates you—and **your determination is real, but you risk overwhelming others or moving too fast**. Over the coming weeks, notice whether you are solving actual problems or simply trying to force change for its own sake.

♃ Jupiter ☿ Quincunx ☾ natal Moon · peak 9 Dec

Over the coming weeks you may feel pulled between wanting more comfort and feeling restless with your current situation. Your emotional needs don't quite match what's actually available to you right now, so you keep adjusting your expectations without getting settled. This **mild discomfort with routine** often pushes you to make small changes in how you manage your home or relationships, even if you're not entirely sure what you want.

♁ NNode △ Trine ♄ natal Saturn · peak 1 Dec

Over the coming weeks, you find it easier to stick with difficult tasks and follow through on commitments without losing motivation. Your natural **ability to be reliable and practical** aligns smoothly with what you actually want to build right now, so responsibilities feel less like obligations. People notice you are more grounded and trustworthy during this period, and that reputation opens doors in work and personal relationships.

♆ Neptune □ Square ☾ natal Moon · peak 31 Dec

Your emotional life feels foggy and unreliable these days, making it hard to trust what you actually feel or what others are telling you. You may find yourself **withdrawing from people or losing interest in activities that usually matter to you**, without being able to explain why. Over the coming weeks, your gut instincts are working against you, so it helps to stick to concrete facts and avoid making big decisions based on how you feel right now.

♆ Neptune □ Square ♅ natal Uranus · peak 31 Dec

You feel torn between wanting to break free from something and being unable to see clearly what needs to change. Your impulse to rebel clashes with confusion about which direction actually makes sense, leaving you **restless and indecisive**. Over the coming weeks, small frustrations can pile up as you second-guess decisions you thought were final.

♄ Chiron ∟ Semi sextile ♀ natal Venus · peak 1 Dec

You find yourself noticing what you actually need from people around you instead of just accepting whatever comes. This clarity helps you express your preferences without guilt or over-explaining yourself. Your relationships feel more **honest and straightforward** over the coming weeks because you're willing to say what matters to you.

♁ NNode * Sextile ♃ natal Jupiter · peak 1 Dec

You find it easier to say yes to opportunities that actually align with what you want, rather than forcing yourself into situations that feel wrong. **Your judgment about which invitations and offers are worth your time becomes sharper**, and people respond well when you move toward them with this kind of clarity. Over the coming weeks, you'll likely notice doors opening in areas where you've been quietly hoping for movement, whether that's socially, professionally, or in learning something new.

♁ NNode ☌ Conjunction ♄ natal Chiron · peak 1 Dec

Over the coming weeks, you become **more aware of how you respond when others are struggling or hurt**. You notice yourself wanting to help in ways that feel natural to you, and people actually seem to listen when you do. This isn't about fixing anyone—it's about recognizing where your practical support lands best and feels most genuine.

♿ Mercury Rx · ♐ Sagittarius

Plans for travel, education, or big-picture goals hit unexpected snags right now. Opinions expressed with too much confidence may need to be walked back, and long-distance communications often get garbled. This is a better period for reviewing beliefs than for broadcasting them.

♄ Saturn Rx · ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

* = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNATIONS

● New Moon · Sunday, 12 Dec

in ♐ Sagittarius

new beliefs, expansion, broader horizons

in H11 — Community & Goals

A fresh cycle is opening around **friendships, group affiliations, and your hopes for the future**. This is the right time to join a new community, strengthen bonds with people who share your values, or clarify what you truly want from the years ahead. Social connections formed under this lunation often turn out to be meaningful and lasting. A dream or long-term goal that's been forming in the background is ready to move from the conceptual stage to the practical.

○ Full Moon · Sunday, 26 Dec

in ♋ Cancer

emotional culmination, family matters, inner needs surface

in H5 — Creativity & Romance

A creative work, romantic situation, or matter involving children is reaching its peak. What began months ago in your love life or creative endeavors is now **ready for a culmination** — a relationship becoming more defined, a project completing, or a moment of genuine joy or heartbreak making itself felt. The full moon here amplifies feelings of passion and desire. Be honest about what and who actually brings you happiness, rather than what you think should.

KEY DATES

Wed, 1 Dec ☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

Thu, 2 Dec ♁ NNNode △ Trine ☿ natal Mercury

Tue, 7 Dec ♇ Pluto ♂ Conjunction ♀ natal Venus

Sat, 11 Dec ♁ NNNode △ Trine ☉ natal Sun

Sun, 12 Dec New Moon in Sagittarius

Fri, 17 Dec ♀ Venus enters ♐ Sagittarius

Venus in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

Mon, 20 Dec ☿ Mercury stations Direct

♁ NNNode △ Trine ☉ natal Sun

♇ Pluto ♂ Conjunction ♀ natal Venus

Mercury stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

Wed, 22 Dec ☉ Sun enters ♑ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Thu, 23 Dec ♃ Jupiter * Sextile ♆ natal Neptune

Fri, 24 Dec ♃ Jupiter ♂ Conjunction ♇ natal Pluto

Sun, 26 Dec ♂ Mars enters ♐ Sagittarius

Full Moon in Cancer

Mars entering *Sagittarius* brings a shift toward **bigger goals and faster action** — people tend to stop sweating small details and push harder for what matters most. In relationships and work, you'll notice more **directness and impatience** with anything that feels like a waste of time, which can speed things up or create friction depending on how bluntly people speak. The practical upside is that **ambitious projects move forward** and people take risks they'd normally avoid, though they may also start more things than they finish during this transit.
