KEY TRANSIT FACTORS

♄ Chiron Δ Trine ☿ natal Mercury · peak 10 Jan ★

You find it easier to talk about your own struggles and listen without judgment when others share theirs. Your conversations tend to be more honest and direct, and people seem to appreciate your **practical, grounded way of discussing difficult topics**. Over the coming weeks, this natural clarity helps you connect with people on a real level instead of staying stuck in surface talk.

♄ Chiron Δ Trine ♃ natal Saturn · peak 31 Jan ★

You are finding it easier to accept your own limitations without feeling like you have failed. **You take a practical approach to your weaknesses** and see them as useful information rather than proof of inadequacy. Over the coming weeks, this shift in perspective makes it simpler to plan realistic goals and stick to them without the usual self-criticism getting in your way.

♄ Chiron Δ Trine ☉ natal Sun · peak 10 Jan ★

Over the coming weeks, you find it easier to **talk about your past struggles without shame**, and people respond by listening instead of judging. Your confidence in handling difficult conversations improves naturally, and you notice you can help others through their problems without getting stuck in them yourself. This period gives you a practical window to work through something that has bothered you for a while, and your clarity right now makes the work feel less heavy.

♄ Chiron * Sextile ♃ natal Jupiter · peak 31 Jan ★

You find it easier right now to talk about past disappointments without getting stuck in them. Your natural ability to look forward and find the practical lesson in what went wrong is stronger than usual. Over the coming weeks, this becomes a genuine resource—you can help others see their setbacks as useful information rather than permanent failures.

♂ Mars □ Square ☾ natal Moon · peak 22 Jan ★

Right now you are **more irritable than usual**, especially when someone questions your feelings or tells you to calm down. Your emotional reactions feel faster and stronger, and you may say things in anger that you later regret. Over the coming weeks, watch for moments when you're snapping at people close to you over small things that normally wouldn't bother you.

♃ Saturn Δ Trine ♀ natal Venus · peak 22 Jan

These days you're able to be **honest about what you actually want in relationships** without needing to please everyone or soften the truth. You find it easier to set practical boundaries with people and stick to them, because you're not second-guessing your own needs. This period gives you a real advantage in building connections that feel genuine instead of performative, so you can invest your emotional energy where it actually matters.

♁ NNode □ Square ♄ natal Chiron · peak 31 Jan

Right now you are **bumping up against your own defensive patterns** in social situations and group settings. You feel pulled toward new connections and directions, but old hurts make you hesitant to actually move forward or trust what is emerging. Over the coming weeks, this friction will keep showing you exactly where you protect yourself instead of risking something real.

♁ NNode ♃ Quincunx ♃ natal Jupiter · peak 31 Jan

Right now you are noticing a mismatch between what you believe will make you happy and what actually does. You keep planning for bigger opportunities or better outcomes, but the details keep shifting in ways that require you to **adjust your expectations repeatedly**. Over the coming weeks, this awkward fit between your hopes and your real circumstances will push you to be more realistic about what you can actually control.

♁ Chiron ♂ Conjunction ♁ natal Chiron · peak 31 Jan

Over the coming weeks, you become more aware of the ways you actually help other people, and it feels less forced than usual. You notice yourself giving advice or support without needing recognition, and this **practical generosity** comes naturally right now. At the moment, whatever wound or struggle you've carried tends to feel less raw, which makes it easier to be useful to someone else.

♁ NNode ♃ Quincunx ♄ natal Saturn · peak 31 Jan

Right now you are noticing a mismatch between what you feel you should do and what actually works in your life, which makes **decision-making feel awkward and slow**. You might find yourself second-guessing practical choices or feeling like the obvious path forward has a hidden complication you cannot quite name. Over the coming weeks, the best approach is to sit with this discomfort rather than push through it—your instincts are picking up on something real that needs attention.

♃ Jupiter ☐ Square ☉ natal Sun · peak 12 Jan

Right now you are **overestimating what you can handle**, and this confidence is pulling you into commitments that drain your resources faster than you expected. *Jupiter* is amplifying your sense of possibility while *Sun* pushes you to prove yourself, making it hard to say no or admit limits. Over the coming weeks you will likely hit a wall—exhaustion, overspending, or failed promises—that forces you to recalibrate what actually matters to you.

♁ NNode ♃ Semi sextile ♃ natal Mercury · peak 31 Jan

Over the coming weeks, you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. People respond better to your words because you're speaking more directly and with less self-doubt. This is a good time to have conversations you've been putting off or to pitch an idea you believe in.

♃ Jupiter ☐ Square ♃ natal Mercury · peak 12 Jan

Your mind is working faster than your mouth right now, and people find you hard to follow. You jump between ideas, interrupt conversations, and make promises you cannot keep because you are overestimating what you can handle. The gap between what you think you can do and what is actually realistic will create real problems at work or in your relationships over the coming weeks.

♁ NNode ♃ Semi sextile ☉ natal Sun · peak 31 Jan

These days you find it easier to say yes to opportunities that align with what matters to you, without overthinking or second-guessing yourself. People respond well to your **straightforward confidence**, and small doors open because you are simply more willing to walk through them. Over the coming weeks, you may notice that the choices you make feel less exhausting because you are following your own direction instead of trying to fit someone else's plan.

♆ Neptune ♃ Semi sextile ♁ natal Chiron · peak 1 Jan

These days you find yourself **more willing to accept your own limitations** without turning them into harsh self-judgment. When something doesn't go smoothly, you notice you're gentler with yourself instead of dwelling on what went wrong. This shift in attitude makes it easier to move forward and try again without the usual weight of disappointment.

LUNATIONS

○ Full Moon · Tuesday, 11 Jan

in ♋ Cancer

emotional culmination, family matters, inner needs surface

in H6 — Health & Service

A health situation or work matter is coming to a head. Something in your **daily routines, workplace dynamics, or physical wellbeing** can no longer be deferred — it needs attention and resolution. Overwork, health imbalances, or conflicts with colleagues become impossible to ignore under this full moon. This is the moment to address what your body has been signaling, complete a work project, or acknowledge a work dynamic that isn't sustainable.

● New Moon · Thursday, 27 Jan Eclipse

in ♒ Aquarius

innovation, social ideals, future direction

in H1 — Self & Identity

A new cycle is opening around your sense of self and how you present to the world. This is the right moment to redefine how you want to be seen and to take deliberate steps toward a fresh start in your personal goals. **Physical changes, new habits, and shifts in your self-image** are all supported now. What you begin under this lunation has a direct impact on your confidence and direction for the next six months.

KEY DATES

Tue, 4 Jan ♂ Mars enters ♒ Aquarius

Mars in *Aquarius* pushes people to **act on ideas** rather than emotions, so you'll notice a shift toward logical problem-solving and less patience for traditional ways of doing things at work or in groups. In relationships and conversations, this transit brings **directness about independence** — people tend to state what they want without softening it, which can feel refreshing or blunt depending on who you're talking to. The pattern is that **group projects and teamwork** become more appealing than solo efforts, even though *Mars* here makes people more willing to disagree with the group if they think something's wrong.

Thu, 6 Jan ☿ Mercury enters ♒ Aquarius

Mercury in *Aquarius* brings **clearer, more direct communication** — people tend to say what they actually think instead of softening their words, which works well in meetings but can feel blunt in casual conversations. At work and in friendships, you'll notice **more focus on logic and ideas** rather than emotions, making this a good time for problem-solving but a trickier period if someone needs emotional support. *Aquarius* also pushes thinking toward the **bigger picture**, so conversations shift from daily complaints to plans, systems, and what-if scenarios that feel more interesting but less immediately practical.

Sun, 9 Jan ♄ Saturn △ Trine ♀ natal Venus

Mon, 10 Jan ♄ Chiron stations Direct

♄ Chiron △ Trine ☿ natal Mercury

Chiron stationing direct means the **healing or learning process** you've been stuck on for months finally **moves forward again**, and you'll notice progress in whatever area felt frozen or repetitive. In practice, **clarity returns** about what actually helps—whether that's a health choice, a skill you're rebuilding, or how to handle a recurring problem—because you can see the full pattern now instead of going in circles. *Chiron* direct also lets you **stop second-guessing** what you've already figured out and start acting on those realizations, even if the fix isn't perfect.

Tue, 11 Jan Full Moon in Cancer

Wed, 12 Jan ♃ Jupiter stations Retrograde

Jupiter stationing retrograde often brings a **pause in expansion plans** — job offers stall, travel gets delayed, or educational programs require extra paperwork. At work and in finances, this is when you'll notice yourself **reviewing past decisions** rather than pushing forward, and opportunities that seemed certain can shift or require renegotiation. Growth doesn't stop during this period, but it tends to happen **quietly through reflection**, and real progress usually resumes once *Jupiter* turns direct again.

Thu, 13 Jan ♀ Venus enters ♓ Pisces

Venus in *Pisces* makes people **softer and more forgiving** in how they treat others, so you might find yourself saying yes to requests you'd normally turn down or letting old arguments go without needing to rehash them. In relationships and work, this transit brings **less direct communication** — people get quieter, drop hints instead of asking straight out, and assume others understand what they want without saying it. *Venus* here also pulls attention toward **feeling appreciated through small gestures** like a text check-in or someone remembering how you take your coffee, rather than big declarations or expensive gifts.

Mon, 17 Jan ♄ Chiron △ Trine ☿ natal Mercury

Fri, 21 Jan ☼ Sun enters ♒ Aquarius

Sun in *Aquarius* brings a **shift toward independence** and a stronger need to do things your own way instead of following the usual pattern. At work and in conversations, you'll **notice people speak up more** about ideas that feel different or go against what everyone expects. In relationships and friendships, **distance often increases** slightly as people pull back to focus on their own projects and interests rather than staying close to the group.

Sat, 22 Jan ♄ Saturn △ Trine ♀ natal Venus

Mon, 24 Jan ☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.
