KEY TRANSIT FACTORS

♃ Jupiter * Sextile ♄ natal Chiron · peak 11 Dec ★

Over the coming weeks, you find it easier to talk about your past difficulties without getting stuck in them. When something painful comes up, you can **acknowledge it and move forward** rather than dwelling on old hurts. This practical shift makes your conversations with friends or a therapist more productive, and you actually feel lighter afterwards.

♇ Pluto * Sextile ♆ natal Neptune · peak 31 Dec ★

While this lasts, you find it easier to **see through confusion and spot what's actually real** in situations that usually feel murky to you. Your intuition sharpens without becoming unreliable, so you can trust your gut feelings more than usual. This is a good time to make decisions about things you've been uncertain about, because you're cutting through the fog naturally.

♁ NNode * Sextile ♂ natal Mars · peak 1 Dec ★

You find yourself **taking action on things that matter to you without overthinking**, and people respond well to your straightforward confidence. Over the coming weeks, opportunities show up because you're willing to put yourself forward instead of holding back. Your practical energy right now is contagious, and you're likely to accomplish more by simply doing rather than planning.

☉ Sun ♂ Conjunction ♃ natal Mercury · peak 21 Dec ★

Right now your thinking is sharper and you naturally want to talk more than usual. You find it easier to explain what you mean and people listen better when you speak, which makes **communicating your ideas** feel less effortful. These days your mind moves quickly and you pick up details others miss, though you may jump between topics faster than normal.

♃ Mercury ♂ Conjunction ☉ natal Sun · peak 21 Dec ★

Right now your thinking is clearer than usual, and you find yourself talking more and explaining your ideas without effort. People around you respond better to what you say because you're **more direct and confident in conversation**. These few weeks are a good time to handle emails, meetings, or decisions that need clear communication.

♃ Jupiter ♁ Opposition ♄ natal Saturn · peak 5 Dec

Right now you're caught between wanting to expand and feeling held back by practical limits, which makes you restless and frustrated. You're likely **pushing harder against rules or responsibilities** that suddenly feel too tight, whether at work or in commitments you've made. Over the coming weeks this friction can push you to either break something unnecessarily or finally face where you've actually been avoiding difficult decisions.

♃ Jupiter △ Trine ♃ natal Jupiter · peak 11 Dec

While this lasts, you feel naturally **confident in your own judgment**, and opportunities tend to show up without you forcing them. People respond well to you right now because you're genuinely relaxed about where things are headed. Over the coming weeks, trust your instincts about what's worth your time—your sense of what matters is especially clear.

♅ Pluto ☐ Square ♂ natal Uranus · peak 9 Dec

Right now you feel a strong urge to break free from something in your life, but the harder you push for change the more resistance you meet. You become **impatient with rules and frustrated by limits**, which can make you act rashly or damage relationships you actually want to keep. Over the coming weeks, focus on understanding what you really want to change before you make moves you cannot easily take back.

♃ Jupiter * Sextile ♿ natal Mercury · peak 1 Dec

Your mind works faster and more clearly right now, making it easier to see solutions you usually miss. You find yourself **explaining things well** and picking up new information quickly, whether at work or in conversations. This is a practical window to tackle writing projects, learning, or any discussion that matters to you.

♅ Pluto ☐ Square ♌ natal Moon · peak 1 Dec

You feel unusually disconnected from people you're close to, as if you cannot quite let them comfort you the way you normally would. Your **emotional walls go up automatically**, and you may withdraw or push away support even when you need it. Over the coming weeks, this psychological distance can strain your relationships unless you notice what is happening and make an effort to stay connected despite the discomfort.

♃ Jupiter * Sextile ☉ natal Sun · peak 1 Dec

These days you feel more **confident in yourself** and people around you seem to notice it too. You're more willing to take on new projects or speak up in situations where you'd normally hold back, and things tend to work out better than expected. This period is ideal for asking for what you want—whether that's at work, in relationships, or for a personal goal—because you're coming across as genuinely assured rather than pushy.

♆ Neptune ♂ Opposition ♅ natal Pluto · peak 28 Dec

Over the coming weeks, you may find your usual sense of control slipping away in situations where you normally feel solid and decisive. You could experience **confusion about what you actually want** from important relationships or projects, making it hard to know whether to push forward or let things go. This fog typically clears once the aspect passes, but right now you are working with incomplete information and shadowy doubts that feel real enough to paralyse you.

♆ Neptune △ Trine ♆ natal Neptune · peak 28 Dec

Your intuition about other people becomes unusually reliable right now, and you find yourself understanding what others need without them having to explain it. You're also more comfortable sitting with uncertainty in practical situations instead of rushing to solve everything immediately. These small shifts make your relationships feel easier and give you permission to trust your gut more than usual.

♅ Pluto △ Trine ♅ natal Pluto · peak 31 Dec

You feel more **willing to let go of things that no longer serve you**, whether that's old habits, relationships, or ways of thinking that have held you back. This shift happens naturally rather than through force, and you find yourself making practical changes without the usual resistance or drama. Over the coming weeks, you'll notice you have clearer sight of what actually needs to change in your life and the patience to follow through.

♄ Saturn ☌ Quincunx ♀ natal Venus · peak 1 Dec

Over the coming weeks, you may feel **awkward or hesitant in relationships** even though you want to be close to someone. Small gestures of affection or attempts to connect might feel clumsy or poorly timed, leaving you wondering if you are doing things right. This is temporary friction between what you want emotionally and what feels practical or safe right now.

♄ Saturn Rx · ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

** = natal resonance — this transit echoes your birth chart, amplifying its influence*

LUNATIONS

○ Full Moon · Tuesday, 6 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H4 — Home & Family

Your home life and emotional foundations are under full illumination. A situation within the family or domestic sphere is reaching a point where **something must be acknowledged, resolved, or released**. Old patterns around belonging, security, or private matters surface with unusual clarity. This full moon often coincides with a change of residence, a family conversation that's been overdue, or a significant shift in how you feel about where you belong.

● New Moon · Thursday, 22 Dec

in ♑ Capricorn

long-term goals, ambition, structural reset

in H11 — Community & Goals

A fresh cycle is opening around **friendships, group affiliations, and your hopes for the future**. This is the right time to join a new community, strengthen bonds with people who share your values, or clarify what you truly want from the years ahead. Social connections formed under this lunation often turn out to be meaningful and lasting. A dream or long-term goal that's been forming in the background is ready to move from the conceptual stage to the practical.

KEY DATES

Thu, 1 Dec ♅ Pluto ☐ Square ☾ natal Moon

Fri, 2 Dec ♂ Mars enters ♋ Pisces

♃ Jupiter enters ♋ Pisces

Mars in *Pisces* tends to **blur your usual drive**, making you less direct about what you want and more likely to drop hints instead of stating things plainly. At work or in relationships, people often notice they're **slower to push back** on things that bother them, or they take longer to make decisions because competing feelings keep shifting their mind. The pattern is that **physical energy dips** — you might feel less urgent about exercise or tasks, preferring to move at an easier pace until something emotional finally lights a fire under you.

Sat, 3 Dec ♀ Mercury enters ♐ Sagittarius

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

Mon, 5 Dec ♃ Jupiter ☉ Opposition ♄ natal Saturn

Tue, 6 Dec Full Moon in Gemini

Fri, 9 Dec ♅ Pluto ☐ Square ♂ natal Uranus

Sun, 11 Dec ♃ Jupiter △ Trine ♃ natal Jupiter

♃ Jupiter * Sextile ♄ natal Chiron

Sun, 18 Dec ♃ Neptune ☉ Opposition ♅ natal Pluto

Mon, 19 Dec ♅ Pluto ☐ Square ♂ natal Uranus

Thu, 22 Dec ☉ Sun enters ♑ Capricorn

♀ Mercury enters ♑ Capricorn

New Moon in Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Sat, 24 Dec ♀ Venus enters ♑ Capricorn

Venus in *Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

Wed, 28 Dec ♃ Neptune stations Direct

♃ Neptune ☉ Opposition ♅ natal Pluto

♃ Neptune △ Trine ♃ natal Neptune

Neptune stationing direct means **confusion clears up** in areas where you've been stuck or uncertain — contracts, creative projects, or health decisions start moving again instead of feeling frozen. People often notice they can **see reality more clearly** now, especially about situations they've been avoiding or romanticizing, so you might finally act on something you've been postponing. *Neptune* direct also **restarts forward momentum** in your intuition and imagination, making it easier to finish creative work or set clearer boundaries in relationships rather than staying tangled in vague patterns.
