Solar ASC ✂ Sagittarius → natal H10 — Career & Reputation

Your **career, public reputation, and life direction** are the year's main focus. This is a year when your professional life demands attention and offers genuine opportunities for advancement. How you're perceived in the world matters more than usual, and your ambitions become more concrete. **Steps taken toward your professional goals this year carry unusual weight** and may shift your trajectory for years ahead. Your reputation is being built — or rebuilt — in real time.

Dispositor ♃ Jupiter → ♊ Gemini · natal H4 — Home & Family

With the dispositor in the natal fourth house, the year's themes ultimately **root back to home and family**. No matter what the outer focus, the inner work is about emotional security, private life, and your relationship with your roots. Domestic circumstances become the context in which the year's larger themes play out. **Building something at home** — literally or emotionally — is what gives this year's events their lasting meaning.

♅ Natal Uranus → solar H12 cusp

0.1°

Your natural need for independence and change finds expression through your inner world this year. You feel **restless with silence and stillness**, and may struggle with traditional meditation or reflective practices. Your private thoughts become more radical and unconventional. This is a year when your **authentic self emerges from the background**.

♌ Natal Moon → solar H6 cusp

0.4°

Your natural emotional sensitivity will show up clearly in your work and health this year. You will be **more aware of how your feelings affect your body and your efficiency**. **You may need to adjust your daily routines to honour your emotional needs**. Building in time for rest and emotional check-ins will help you stay healthy.

♃ Jupiter · solar H1 rul. ♋ Semi sextile ♌ natal Moon

You find it easier to ask for what you need right now, and people tend to respond well when you do. Your mood is steadier than usual, which makes **speaking up about emotional concerns feel less risky**. Over the coming weeks, small conversations that might normally feel awkward often lead to genuine support instead.

♃ Jupiter · solar H1 rul. ♃ Quincunx ♅ natal Uranus

Over the coming weeks you feel pulled toward making changes but run into practical obstacles that slow you down. Your impulse to break free from routine collides with real constraints like money, time, or other people's expectations. You might feel restless and frustrated because what you want to do does not line up with what is actually possible right now.

♅ Pluto · solar H12 rul. ♃ Quincunx ♄ natal Saturn

These days you feel caught between wanting to keep things stable and being pushed to question whether your usual routines actually work anymore. You might find yourself **rewriting rules you've lived by** or suddenly seeing flaws in systems you've trusted, which creates practical awkwardness as you adjust. Over the coming weeks, this friction between your need for control and pressure to change will likely settle once you accept that some old structures need to be rebuilt differently.

♅ Pluto · solar H12 rul. ♃ Quincunx ♃ natal Jupiter

Over the coming weeks, you may notice your usual confidence about future plans starts to feel misaligned with what's actually happening around you. You might push harder for something you believe in, only to realize the timing or approach needs a **complete rethink** rather than small adjustments. This period asks you to let go of one strategy and rebuild it from scratch instead of expanding in the direction you expected.

♅ Pluto · solar H12 rul. ☐ Square ♄ natal Chiron

Right now you're bumping up against old wounds that usually stay quiet, and it feels uncomfortable because you can't just ignore them the way you normally do. You might find yourself **overreacting to small slights or feeling defensive** about situations that wouldn't usually bother you. Over the coming weeks, this friction is forcing you to look at how you protect yourself—not to fix everything at once, but to notice where your defenses are actually holding you back from connecting with other people.

♀ Venus · solar H6/H11 rul. ☐ Square ♅ natal Uranus

Right now you're restless in your relationships and find it hard to settle into routine affection or commitment. You might **push away people who want closeness** or suddenly lose interest in someone who was important to you last week. This friction between wanting freedom and being expected to show up consistently will test your patience and theirs over the coming weeks.

☉ Sun · solar H9 rul. ♂ Conjunction ☉ natal Sun

Your sense of what you want from life becomes clearer right now, and you naturally act on it more directly. You feel more confident in social and professional situations, which means people respond better to you. This is a good window to start something new or push forward with a goal you've been sitting on.

♀ Venus · solar H6/H11 rul. ☐ Square ♃ natal Moon

Right now you're more critical of the people close to you, especially about how they show affection or support you. You might push away someone who's trying to help because you **feel disconnected from what they're offering**, even if it's genuinely good. This frustration can make you withdraw or say things you regret, so it helps to notice when you're in this mood before you act on it.
