KEY TRANSIT FACTORS

♀ Venus ☐ Square ☿ natal Mercury

Right now you're caught between what you want to say and what feels socially comfortable, so conversations come out muddled or you second-guess yourself constantly. Your **words don't match your real feelings**, which creates awkward moments where people don't understand your actual position. Over the coming weeks, you'll need to slow down and think before speaking, because the gap between your thoughts and your charm is wider than usual.

☿ Mercury ☐ Square ☉ natal Sun

Right now you're likely to **second-guess your own opinions** and struggle to communicate what you actually think. People may misunderstand your words or you may find yourself contradicting yourself mid-conversation, which creates friction with others. Over the coming weeks, you'll need to slow down before speaking and accept that getting your point across will take more effort than usual.

☾ Moon ☐ Quincunx ☉ natal Sun

Right now your mood and your sense of purpose are out of sync, so you feel restless even when things are going well. You might **second-guess decisions you normally feel confident about**, or find yourself irritable with people who don't understand what you need. These feelings will pass in a week or two, but until then you'll work better if you accept the discomfort rather than trying to fix it.

♅ Uranus ☐ Square ☿ natal Mercury

Your thoughts feel scattered and hard to pin down these days, making it difficult to follow through on plans or explanations. You might **interrupt conversations without noticing, say things you regret, or struggle to listen** because your mind is jumping between too many ideas at once. This restlessness in how you think and communicate will likely frustrate both you and the people around you until this period passes.

♃ Jupiter ☐ Opposition ♁ natal Chiron

Over the coming weeks, you are likely to **overestimate your ability to fix old wounds or help others with their pain**, which can leave you feeling deflated when reality doesn't match your optimism. *Jupiter* is pushing you to expand and take charge in areas where *Chiron* reminds you of your actual limits and vulnerabilities. The mismatch between what you think you should be able to do and what you can actually manage may create frustration or self-doubt during this period.

☿ Mercury Rx · ♌ Leo

Self-expression feels less fluid right now and there is a tendency to overthink how you come across to others. Conversations about recognition, creative projects, or past performances may resurface during this period. Creative work benefits more from revision than from new starts right now.

☉ Sun ☌ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun * Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

☉ Sun ☌ Quincunx ♅ Uranus

At the moment you feel pulled in two directions without clear reason, and small changes in routine throw you off balance more than usual. Your usual way of doing things no longer feels quite right, but you don't yet see what would work better, which creates **restless dissatisfaction**. These days minor adjustments in your practical life take more energy and patience than they should.

LUNAR DAY

Moon in ♊ Gemini · Day 26 / 30 · Last Quarter

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY
