## KEY TRANSIT FACTORS

### ☉ Sun ☿ Quincunx ♄ natal Saturn ★

Over the coming weeks, you feel caught between wanting to move forward and sensing you should slow down, which creates low-level frustration. You might **second-guess decisions** you normally make with confidence, or find that what seemed straightforward yesterday feels complicated today. This mismatch between your impulses and your caution will fade, but while it lasts you'll benefit from checking your plans twice before committing.

### ♁ Chiron △ Trine ♇ natal Pluto

Over the coming weeks, you find it easier to **talk honestly about difficult things** without getting defensive or shutting down. People respond well to your openness because you're not attacking or blaming them, just saying what actually happened and how it affected you. This period gives you a practical window to repair relationships or clear the air in conversations you've been avoiding.

### ♇ Pluto \* Sextile ♂ natal Mars

You're finding it easier to act on what you actually want without second-guessing yourself or getting tangled up in other people's opinions. Your **willingness to take direct action** feels natural and purposeful, whether you're starting a project, having a difficult conversation, or making a change you've been putting off. Over the coming weeks, this clarity and confidence in your own decisions will help you move forward on things that matter to you.

### ☾ Moon □ Square ♁ natal Chiron

Right now your **emotional defences are getting poked**, and old hurts you thought you'd buried are coming back up. You're more irritable than usual and quicker to feel rejected, especially in conversations where someone disagrees with you or doesn't give you the reaction you wanted. These feelings will pass in a few days or weeks, but while this lasts you'll need to notice when you're snapping at people over small things instead of addressing what's actually bothering you underneath.

### ☾ Moon □ Square ♀ natal Venus

Right now you feel emotionally out of step with the people closest to you, making it hard to enjoy their company or feel appreciated by them. You may pick fights over small things or withdraw when you normally would reach out, leaving relationships feeling **strained and disconnected**. These days your mood swings can make you seem ungrateful or cold, even when that is not what you intend.

### ♀ Venus Rx · ♑ Capricorn

Commitments made out of practicality rather than genuine connection are being quietly examined right now. Relationships with authority figures, professional partnerships, or long-term romantic arrangements may feel more burdensome than rewarding. This is a useful period for honest assessment — not for ending things prematurely.

## ♄ Saturn Rx · ♌ Leo

Ambition and the structures supporting creative or public expression face an honest review during this period. Recognition that has been slow to arrive may be prompting important reassessment of your goals or methods. Internal validation serves you more right now than seeking external acknowledgment.

## ☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

## ☉ Sun ∟ Semi sextile ♇ Pluto

These days you have a quiet **ability to notice what really matters** underneath surface conversations and behaviour. Your psychological instincts are sharper than usual, so you pick up on unspoken feelings in others and respond with genuine understanding. This minor aspect between *the Sun* and *Pluto* gives you a practical advantage in conversations where honesty counts.

## ☾ Moon ♀ Opposition ☿ Mercury

Right now your feelings and your thoughts are pulling in different directions, which makes it hard to say what you actually mean. You might feel upset about something but explain it in a way that sounds cold or defensive, so people don't understand what's really bothering you. This mismatch between what you feel and what you say creates **confusion in conversations**, and you'll likely need to circle back later to clear things up.
