KEY TRANSIT FACTORS

☾ Moon ☐ Square ♅ natal Uranus

Right now you feel restless and irritable in ways that don't match your usual mood, making you **snap at people over small things** and struggle to sit still. Your need for sudden change clashes with what you actually need emotionally, so you might suddenly want to quit something or push away someone close to you without being clear why. These feelings will pass in a few days, but while they last you'll need to notice the impulse to act on them rather than act immediately.

♁ Chiron ☐ Square ☾ natal Moon

Right now you're more aware of emotional wounds you usually ignore, and that awareness feels uncomfortable rather than helpful. You might find yourself **withdrawing from people or snapping at them unexpectedly** because your usual emotional coping methods aren't working. Over the coming weeks, this friction is pushing you to look at how you actually handle upset instead of just moving past it.

♄ Saturn ☐ Square ♇ natal Pluto

You're likely to feel **boxed in by rules or limits that feel suffocating**, especially where you normally have control. *Saturn* is forcing you to face situations where your usual tactics don't work anymore, and that frustration can build into real anger. These days you'll benefit from finding practical outlets for that pressure instead of letting it mount, because bottling it up will only make you feel more trapped.

☾ Moon ♂ Conjunction ♁ natal NNode

These days you feel more drawn to people and situations that feel familiar or emotionally safe, even if they are not new. You are likely **seeking connection with others who understand your values without needing to explain yourself**. This pull toward comfort and belonging will fade in a week or two, but right now it is worth noticing who or what actually makes you feel at home.

☿ Mercury ∟ Semi sextile ☿ natal Mercury

Your thinking feels a bit sharper right now, and you find yourself **connecting ideas that usually stay separate**. In conversations and at work, you pick up on details faster than usual and explain things more clearly without much effort. This is a good time to tackle writing projects, plan something complex, or have honest talks with people because your communication just flows better.

♀ Venus Rx · ♏ Scorpio

Deep-seated relationship patterns involving trust, control, or intimacy resurface during this period. Old jealousies, power imbalances, or unresolved emotional debts demand honest attention. What you have been avoiding about your closest connections is exactly what needs examination right now.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun ☐ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

LUNAR DAY

Moon in ♑ Capricorn · Day 8 / 30 · Waxing Crescent

Focus narrows toward responsibilities and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.
