## KEY TRANSIT FACTORS

### ♃ Jupiter ☾ Semi sextile ♊ natal NNode

Over the coming weeks, you find yourself **naturally gravitating toward people and situations that align with what you actually want**. Small opportunities appear that feel less forced than usual, and you notice you say yes to invitations or ideas without overthinking them. This isn't luck so much as you being more willing to take a chance on something that feels right, even if you can't fully explain why.

### ☉ Sun ☐ Square ♊ natal NNode

Right now you feel pulled in two directions at once, between what you want to do and what you sense you should be doing. You're likely **second-guessing your choices** and questioning whether you're on the right track with work or relationships. This friction is real, and over the coming weeks you'll need to sit with the discomfort instead of rushing to resolve it.

### ♇ Pluto ☐ Square ♅ natal Uranus

Right now you feel a strong urge to break free from something in your life, but the harder you push for change the more resistance you meet. You become **impatient with rules and frustrated by limits**, which can make you act rashly or damage relationships you actually want to keep. Over the coming weeks, focus on understanding what you really want to change before you make moves you cannot easily take back.

### ☿ Mercury ☐ Quincunx ♁ natal Chiron

Over the coming weeks, you may notice that talking about your past experiences feels awkward or incomplete, as if the right words keep slipping away. You find yourself **starting to explain something painful, then stopping halfway through** because the explanation doesn't quite land. This mismatch between what you feel and what you can actually say might frustrate you, but it can also prompt you to try different ways of understanding what happened to you.

### ♊ NNode ☐ Square ♀ natal Venus

Right now you are more **critical of your relationships and what you want from them**, and this makes it harder to enjoy the people close to you. You might find yourself questioning whether your partner, friends, or family actually fit what you need, or you push them away before they can disappoint you. Over the coming weeks, this friction can help you get honest about what you will and will not accept from others, but the process feels uncomfortable and isolating while it lasts.

### ☉ Sun ☍ Opposition ☾ Moon

Right now you feel pulled in two directions at once, and it's hard to know what you actually want. You might notice yourself **acting one way in public and feeling something completely different inside**, which creates an awkward tension you can't ignore. This split between what you're showing others and what you're experiencing privately tends to make decisions feel impossible until the aspect passes.

### ☉ Sun \* Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

### ☉ Sun ☿ Quincunx ♆ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.
