KEY TRANSIT FACTORS

♁ NNode * Sextile ♃ natal Jupiter

You find it easier to say yes to opportunities that actually align with what you want, rather than forcing yourself into situations that feel wrong. **Your judgment about which invitations and offers are worth your time becomes sharper**, and people respond well when you move toward them with this kind of clarity. Over the coming weeks, you'll likely notice doors opening in areas where you've been quietly hoping for movement, whether that's socially, professionally, or in learning something new.

♆ Neptune qx Quincunx ☉ natal Sun

Over the coming weeks, you may feel **slightly out of step with your usual sense of direction**, as if the goals you normally pursue don't quite fit who you are right now. Your confidence in what you want gets fuzzy, and you might second-guess decisions you'd normally make without hesitation. This mismatch between who you think you should be and what actually matters to you will probably clear up once this *Neptune* influence passes.

☿ Mercury △ Trine ♆ natal Neptune

Your mind is unusually clear about things you normally find confusing, and you can explain your thoughts in ways people actually understand right now. **You pick up on what others mean without needing them to spell it out**, which makes conversations feel easier and more connected. These days your intuition about people and situations is reliable, so trust what you're sensing when it comes to making decisions.

♃ Jupiter ∟ Semi sextile ☾ natal Moon

You find it easier to ask for what you need right now, and people tend to respond well when you do. Your mood is steadier than usual, which makes **speaking up about emotional concerns feel less risky**. Over the coming weeks, small conversations that might normally feel awkward often lead to genuine support instead.

♂ Mars □ Square ♀ natal Venus

Right now you're more likely to push people away when you want to pull them closer, because **your impulses feel sharp and your patience for nuance has disappeared**. If you're in a relationship, small disagreements can escalate quickly because you're expressing wants bluntly instead of listening to what the other person needs. Over the coming weeks, notice when you're acting on frustration rather than affection, because that awareness is what stops you from damaging something you actually care about.

♃ Jupiter Rx · ♐ Capricorn

Ambitions and long-term structures built on optimistic assumptions are being tested right now. Career growth or institutional commitments that seemed on track may require more realistic adjustment than you had planned. Reviewing what is genuinely working in your long-term strategy before continuing to build is the most productive use of this period.

☉ Sun ♂ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

☉ Sun △ Trine ♀ NNNode

Right now you find it easier to **do what actually suits you** instead of what you think you should do. People around you notice you seem more confident in small choices, like speaking up in meetings or trying something new without overthinking it. This period supports you in building habits and friendships that feel genuinely right for your life.

☾ Moon □ Square ♀ Venus

Right now your **emotional needs feel at odds with what you actually want** — you might crave closeness but feel irritable when someone gets near, or want to be alone but then feel rejected. This mismatch between *Moon* and *Venus* makes it harder to communicate what you need without sounding demanding or cold. Over the coming weeks, pay attention to these moments so you can spot the pattern and name it out loud before resentment builds up.

LUNAR DAY

Moon in ♈ Aries · Day 23 / 30 · Last Quarter

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
