KEY TRANSIT FACTORS

♀ Venus * Sextile ☿ natal Mercury ★

Right now you find it easier to say what you actually mean, and people respond well to your honesty. Your **words carry more warmth**, so conversations that usually feel difficult become straightforward and even enjoyable. Over the coming weeks, this natural ease with communication can help you sort out misunderstandings or simply connect more deeply with the people around you.

☉ Sun ☿ Quincunx ♁ Chiron ★

Right now you notice small practical problems in areas where you thought you had things figured out. Your confidence runs into situations that don't quite fit your usual approach, and you have to **adjust your methods rather than push through**. This mismatch between what you expected and what's actually happening is the main feature of these days, and it often leads to useful corrections if you pay attention.

♅ Uranus ☿ Opposition ♃ natal Jupiter

Right now you are **questioning beliefs and plans that felt solid weeks ago**, and this doubt is making it hard to commit to anything. Your usual optimism about the future is getting interrupted by a voice telling you that what you want might not work, or that you have been overlooking real problems. Over the coming weeks this restlessness will push you to rethink your direction, but the process feels uncomfortable and destabilizing rather than clarifying.

♇ Pluto * Sextile ♁ natal Chiron

Right now you find it easier to **talk about past hurts without getting stuck in them**, which means conversations about difficult experiences feel less raw than usual. You're more willing to listen to other people's pain too, and they seem to respond by opening up to you in ways that deepen your relationships. Over the coming weeks, this natural confidence in handling hard topics gives you a practical advantage in resolving conflicts that have been hanging around.

♄ Saturn ☐ Square ♅ natal Uranus

Right now you feel trapped between what you want to do and what you have to do, and the frustration builds quickly. You become **irritable when anyone or anything blocks your independence**, and you may act out impulsively just to prove you're in control. Over the coming weeks, real responsibilities will keep colliding with your need for freedom, forcing you to make hard choices about what actually matters.

☿ Mercury ∟ Semi sextile ♀ natal Venus

Over the coming weeks, you find it easier to say what you actually appreciate about people instead of keeping quiet. Your conversations flow more naturally when you're being genuine about what matters to you. This small shift in how you communicate makes your relationships feel a bit warmer and less guarded.

♿ Mercury Rx · ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

♃ Jupiter Rx · ♒ Aquarius

Ideas about social progress, collective improvement, and future-oriented goals turn inward during this period. Idealism that has been driving group efforts may need grounding in more concrete assessment. Reviewing rather than promoting your vision of how things could improve serves you better right now.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun △ Trine ♃ Jupiter

Right now you feel **more confident about your abilities** and you're likely to take on tasks you've been putting off. People around you notice your optimism and it spreads, making conversations easier and collaborations feel lighter. This is a practical window where your effort tends to produce visible results, so taking action on something you care about usually pays off.
