♁ North Node	in	♑ Capricorn	20°00'39"	XI Rx
♁ Lilith	in	♏ Scorpio	29°03'37"	IX

## KEY TRANSIT FACTORS

### ☿ Mercury \* Sextile ♀ natal Venus · peak 16 Jul ★

You find it easier to say what you actually mean to people you care about, and they respond well to your honesty. **Your words come across as warm and thoughtful** instead of rushed or clumsy, which helps conversations feel closer. Over the coming weeks, this is a good time to have the talks you've been putting off or to express appreciation to someone who matters to you.

### ♄ Saturn ☐ Square ☾ natal Moon · peak 11 Jul

Right now your emotional needs feel blocked or neglected, and you're likely being harder on yourself about what you want or feel. **You withdraw** from people instead of asking for what you need, then feel resentful or alone. Over the coming weeks, you'll have a chance to sort out which of your feelings actually matter to you and which ones you've just been carrying around without question.

### ♇ Pluto ☐ Square ♇ natal Pluto · peak 19 Jul

Right now you are **fighting against your own need to control things**, and this makes everyday situations feel like power struggles. You might find yourself pushing harder in relationships or at work, only to meet resistance that frustrates you more. While this lasts, the practical lesson is that forcing your agenda does not work—stepping back and observing what is actually happening around you will show you where you have real influence and where you do not.

### ♁ NNode ☐ Square ♀ natal Venus · peak 1 Jul

Right now you are more **critical of your relationships and what you want from them**, and this makes it harder to enjoy the people close to you. You might find yourself questioning whether your partner, friends, or family actually fit what you need, or you push them away before they can disappoint you. Over the coming weeks, this friction can help you get honest about what you will and will not accept from others, but the process feels uncomfortable and isolating while it lasts.

### ♃ Jupiter ☉ Opposition ♇ natal Pluto · peak 23 Jul

You're running into situations where your confidence in yourself collides head-on with other people's resistance or control attempts. **You're more likely to push back against anyone who feels threatening**, which can escalate conflicts that might have stayed small. While this lasts, you'll notice that your usual way of managing power dynamics stops working, and you may feel forced to choose between backing down or fighting harder than you normally would.

### ♄ Chiron \* Sextile ☾ natal Moon · peak 31 Jul

Right now you find it easier to talk about things that usually upset you, and people actually listen instead of dismissing your feelings. Your **emotional honesty** becomes something others trust rather than fear, and that creates real closeness in your relationships. This window won't last forever, so these are good weeks to have the conversations you've been putting off.

### ♁ NNode ∟ Semi sextile ♄ natal Mercury · peak 31 Jul

Over the coming weeks, you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. People respond better to your words because you're speaking more directly and with less self-doubt. This is a good time to have conversations you've been putting off or to pitch an idea you believe in.

### ♇ Pluto ∟ Semi sextile ♆ natal Neptune · peak 1 Jul

You find it easier right now to **notice patterns in situations that confused you before**, especially in relationships or creative projects where things felt murky. Your practical judgment sharpens, letting you spot what's actually happening underneath surface appearances rather than getting lost in assumptions. This clarity lasts only a few weeks, so it's a good time to make decisions about situations you've been uncertain about.

### ♆ Neptune \* Sextile ☾ natal Moon · peak 1 Jul

Your **emotional intuition is sharper right now**, and you pick up on what people actually mean beneath their words. You find yourself more patient with others' feelings and less likely to react defensively when someone upsets you. Over the coming weeks, this softer approach tends to draw people closer to you and makes conversations feel safer for everyone involved.

### ♃ Jupiter △ Trine ♆ natal Neptune · peak 23 Jul

Over the coming weeks, you find it easier to **believe in your own ideas** without needing constant proof or reassurance. Your imagination feels more practical right now, and you can turn vague daydreams into actual plans that other people take seriously. This is a good time to pitch something creative or intuitive that you've been sitting on, because people around you are more receptive to what you're offering.

### ♅ Uranus □ Square ☾ natal Moon · peak 31 Jul

Your **emotional reactions feel unpredictable and harder to control** right now, catching you off guard in situations where you normally stay calm. People close to you may seem confused or frustrated because your mood shifts without warning, and you struggle to explain why you feel unsettled. Over the coming weeks, this restlessness pushes you to question habits and routines that no longer fit, but the process feels uncomfortable rather than liberating.

### ♁ NNode □ Square ♄ natal Chiron · peak 1 Jul

Right now you are **bumping up against your own defensive patterns** in social situations and group settings. You feel pulled toward new connections and directions, but old hurts make you hesitant to actually move forward or trust what is emerging. Over the coming weeks, this friction will keep showing you exactly where you protect yourself instead of risking something real.

### ♆ Neptune △ Trine ♂ natal Mars · peak 31 Jul

Right now you find it easier to act on your creative ideas without overthinking or second-guessing yourself. Your usual need to charge ahead gets **softened by intuition**, so you pick up on what others actually need instead of just pushing your own agenda. Over the coming weeks, this blend of confidence and sensitivity means you can get things done while keeping people around you feeling heard.

### ♇ Pluto ♂ Conjunction ♃ natal Jupiter · peak 1 Jul

You're experiencing a **pull toward bigger goals and riskier decisions** right now, as if your usual caution has lifted. You might pursue opportunities or make commitments that feel exciting but also require real resources or long-term responsibility. Over the coming weeks, watch whether you're expanding into something genuinely valuable or simply overextending yourself because the moment feels urgent.

### ♄ Saturn ∟ Semi sextile ♂ natal Mars · peak 1 Jul

Right now you're noticing that your efforts produce real results without requiring you to push as hard as usual. **You're working more efficiently**, and tasks that normally frustrate you feel manageable because you're approaching them with more patience than typical. Over the coming weeks, this steady support from *Saturn* to your *Mars* makes it easier to follow through on commitments without burning out.

## LUNATIONS

---

● New Moon · Monday, 12 Jul

in ♋ Cancer

emotional reset, home, inner security

in H5 — Creativity & Romance

A new creative or romantic cycle is opening. This lunation brings **fresh energy to self-expression, passion, and pleasure** — it's the right moment to begin a creative project, allow yourself to be seen fully in a relationship, or bring more play and joy into your daily life. Children, art, and anything that makes your heart lighter all carry special significance now. What you initiate here connects directly to your happiness.

○ Full Moon · Sunday, 25 Jul

in ♑ Capricorn

career results, ambition tested, authority reviewed

### in H11 — Community & Goals

A friendship, group affiliation, or long-held hope is reaching its culmination. Something that began as a shared goal or community connection is now **showing its true shape** — whether that means a meaningful bond being cemented or a misalignment in values becoming clear. This full moon often brings a resolution around social belonging: who your people actually are, which dreams remain worth pursuing, and which ones need to be updated based on who you've become.

#### KEY DATES

**Thu, 1 Jul** ♀ NNnode □ Square ♀ natal Venus

♃ Neptune ✳ Sextile ♃ natal Moon

**Sun, 4 Jul** ♄ Saturn □ Square ♃ natal Moon

**Tue, 6 Jul** ♅ Uranus stations Retrograde

*Uranus* stationing retrograde typically brings **delays and reversals** in tech, internet connections, and unexpected plans that felt solid just weeks ago. Areas like innovation projects, group friendships, or sudden life changes often **pause or shift direction** — what looked like progress stalls, and people find themselves rethinking decisions they thought were final. In practice, this period favors **reviewing old ideas** rather than launching new ones, and you'll notice others becoming less willing to commit to radical changes or unusual partnerships.

**Sat, 10 Jul** ☿ Mercury enters ♌ Leo

♀ Venus enters ♍ Virgo

*Mercury* in *Leo* makes people talk more **directly and with confidence**, so conversations at work or home tend to feel bolder and less cautious than usual. When someone speaks up during this transit, they usually **want to be heard** and remembered, which means they pick words for impact rather than softness. In practice, this shows up as **clearer requests, firmer opinions**, and less apologizing—though it can also mean people interrupt more or push their point when they should listen.

**Sun, 11 Jul** ♄ Saturn □ Square ♃ natal Moon

♃ Jupiter ♁ Opposition ♇ natal Pluto

**Mon, 12 Jul** New Moon in Cancer

♀ NNnode □ Square ♀ natal Venus

**Sun, 18 Jul** ♄ Chiron ✳ Sextile ♃ natal Moon

**Mon, 19 Jul** ♇ Pluto □ Square ♇ natal Pluto

**Tue, 20 Jul** ♄ Chiron enters ♒ Aquarius

*Chiron* entering *Aquarius* brings a shift in how people **notice and fix what feels broken** in groups, teams, and systems that don't work right. At work and in friendships, you'll see more **direct conversation about differences** instead of pretending everything's fine, and people become **less patient with outdated rules** that don't make sense anymore. Over the next eight years, the pattern is that **healing happens through honesty and change** rather than through smoothing things over or keeping the peace.

**Thu, 22 Jul** ♄ Saturn enters ♎ Libra

*Saturn* in *Libra* makes people **more serious about commitment** in relationships and partnerships, so you'll notice people either stepping up to real responsibilities or facing **hard truths** about who they're with. At work and in group settings, **fairness and clear rules** become things people actually enforce rather than ignore, which can feel restrictive but also more stable. Over the next few years, most people find they need to **slow down and think** before making social or partnership decisions, and skipping steps stops working the way it used to.

**Fri, 23 Jul** ☼ Sun enters ♌ Leo

♃ Jupiter ♁ Opposition ♇ natal Pluto

♃ Jupiter △ Trine ♃ natal Neptune

*The Sun entering Leo* brings a **shift toward more direct self-expression** — people tend to speak up more at work, take on visible roles, and want their efforts noticed rather than working quietly behind the scenes. In relationships and social settings, **confidence and attention-seeking increase**, which can mean more fun and boldness but also more friction if someone feels overshadowed or ignored. Over the next month, most people find themselves **more willing to take charge**, pursue what they actually want, and care less about blending in.

**Sat, 24 Jul** ♃ Jupiter stations Retrograde

*Jupiter* stationing retrograde often brings a **pause in expansion plans** — job offers stall, travel gets delayed, or educational programs require extra paperwork. At work and in finances, this is when you'll notice yourself **reviewing past decisions** rather than pushing forward, and opportunities that seemed certain can shift or require renegotiation. Growth doesn't stop during this period, but it tends to happen **quietly through reflection**, and real progress usually resumes

once *Jupiter* turns direct again.

**Sun, 25 Jul** Full Moon in Capricorn

**Mon, 26 Jul** ♅ Pluto ☐ Square ♅ natal Pluto

**Wed, 28 Jul** ♀ Mercury enters ♍ Virgo

*Mercury* entering *Virgo* sharpens how you **think and communicate** — your mind becomes more precise, you spot details you missed before, and you naturally organize information instead of leaving things vague. At work and in conversations, people tend to **speak more carefully**, ask better questions, and get frustrated faster with unclear explanations or messy processes. Over the next few weeks, this transit pushes you toward **sorting things out** — whether that's cleaning up your schedule, fixing a system that never worked right, or finally having that direct talk you've been avoiding.

**Fri, 30 Jul** ♂ Mars enters ♎ Libra

*Mars* in *Libra* shifts how people push for what they want — instead of charging ahead alone, you'll notice more **talking things through** and **weighing options** before acting. At work and in relationships, **compromise** becomes the move rather than winning outright, and people often spend extra time **getting agreement** before making decisions. The trade-off is real: you get **smoother partnerships** and fewer direct conflicts, but things take longer to actually start moving.

**Sat, 31 Jul** ♄ Chiron ✖ Sextile ☾ natal Moon
