SOLAR ANALYSIS

Solar ASC ♍ Virgo → natal H7 — Partnerships

Relationships take center stage this year. A **significant partnership — romantic, professional, or legal** — becomes the year's defining context. You're learning about yourself through others, and the quality of your close relationships will determine much of what this year means to you. Important people enter your life, existing bonds deepen or clarify. **How you show up for others and what you ask in return** is the year's central question.

Dispositor ♿ Mercury → ♐ Sagittarius · natal H9 — Expansion & Beliefs

With the dispositor in the ninth house, the year's themes **express through expansion, belief, and exploration**. Travel, education, spiritual development, or philosophical inquiry become the vehicle through which the year's energy flows. Encounters with the unfamiliar — different places, ideas, or worldviews — are how this year's main work gets done. **Following curiosity into unfamiliar territory** is not a detour; it's the path.

♿ Mercury · solar H1/H10 rul. * Sextile ♇ natal Pluto

Right now your mind is working at a level that lets you see through problems to what's actually driving them. You're able to ask better questions and listen more carefully to what people really mean, which makes conversations feel more honest and useful. This period is ideal for tackling complicated topics at work or sorting through decisions you've been sitting on, because your thinking is both clear and intuitive.

♃ Jupiter · solar H4 rul. * Sextile ♁ natal Chiron

Over the coming weeks, you find it easier to talk about your past difficulties without getting stuck in them. When something painful comes up, you can **acknowledge it and move forward** rather than dwelling on old hurts. This practical shift makes your conversations with friends or a therapist more productive, and you actually feel lighter afterwards.

♇ Pluto · solar H3 rul. ♂ Conjunction ♆ natal Neptune

You may find yourself **questioning beliefs or systems you've relied on** right now, as your usual sense of certainty starts to feel thin. What used to comfort you — a routine, a relationship dynamic, a way of thinking — can suddenly look hollow or false from your perspective. This confusion is uncomfortable but honest, and it typically clears once *Pluto* moves past your *Neptune*.

♅ Uranus · solar H6 rul. * Sextile ♆ natal Neptune

You find yourself **more willing to experiment with creative ideas** that normally feel too risky or unconventional. Your intuition is working alongside practical thinking right now, so you can actually move forward on projects that blend imagination with real results. Over the coming weeks, you're likely to spot opportunities that others miss because you're comfortable holding two different perspectives at once.

♀ Venus · solar H2/H9 rul. ∟ Semi sextile ♆ natal Neptune

Over the coming weeks, you become **more open to what people need from you emotionally**, and you notice others respond better to you because of it. Your usual defenses soften just enough that you can listen without jumping to fix things, which makes conversations feel easier and more natural. This is a good time to deepen connections with people you care about, since you're genuinely present rather than distracted by your own concerns.

☉ Sun · solar H12 rul. ♂ Conjunction ☉ natal Sun

Your sense of what you want from life becomes clearer right now, and you naturally act on it more directly. You feel more confident in social and professional situations, which means people respond better to you. This is a good window to start something new or push forward with a goal you've been sitting on.

♀ Venus · solar H2/H9 rul. □ Square ♇ natal Pluto

Right now you may feel drawn into relationships or situations where you want more control than is realistic, and you become frustrated or resentful when you cannot have it. Your **need to dominate or possess** shows up in your romantic life and friendships, creating tension with people who sense your intensity. Over the coming weeks, this pattern will likely push others away unless you notice it and step back from trying to reshape them.

♂ Mars · solar H8 rul. ♂ Conjunction ☾ natal Moon

You're feeling **more direct and impatient with people right now**, especially if something upsets you emotionally. Your instinct is to react fast instead of sitting with feelings, and you may say things bluntly that you'd normally keep private. These days small irritations can trigger sudden anger, so it helps to notice when you're running hot before you speak.
