KEY TRANSIT FACTORS

☉ Sun ☐ Square ♄ natal Saturn ★

Right now you're bumping up against your own limits, and it feels frustrating rather than motivating. You notice **resistance from authority figures or self-doubt blocking what you want to do**, and pushing harder only makes the friction worse. These few weeks ask you to slow down and work within real constraints instead of fighting them.

♁ Chiron ∟ Semi sextile ♁ natal NNode ★

Over the coming weeks, you find it easier to **spot patterns in your own behaviour** without getting stuck in self-criticism. Small conversations or situations naturally point out where you've been repeating the same mistakes, and you actually listen instead of defending yourself. This practical self-awareness makes it simpler to adjust course in relationships and work without needing to overanalyse everything.

☾ Moon ∟ Semi sextile ♃ natal Jupiter ★

These days you feel a bit more generous with yourself and others, which makes social situations feel easier and less forced. You're noticing small good things around you more readily, and this **gentle optimism** makes it simpler to ask for help or offer support without overthinking it. The *Moon* and *Jupiter* connection right now creates a quiet permission to be a little kinder to yourself about your limitations.

☾ Moon ☐ Square ♃ natal Jupiter

Your emotions right now are pulling you toward overcommitment and excessive spending that your wallet cannot actually support. You feel optimistic and generous, but you're not paying attention to real limits or consequences. This gap between what you want to give and what you can afford often leads to regret or resentment once the period passes.

♄ Saturn * Sextile ☿ natal Mercury

Your thinking becomes clearer and more practical right now, letting you organize your thoughts in ways that actually work. You're naturally **more careful with details and less prone to overlooking things**, which helps your writing, planning, or problem-solving feel more solid. This is a good window to tackle anything that needs patience and precision, since your mind is working in your favor rather than against you.

♇ Pluto △ Trine ♃ natal Jupiter

Over the coming weeks, you find it easier to take productive risks and push past self-imposed limits without overthinking. Your **confidence in your own judgment grows**, and you're more likely to follow through on plans that require persistence or personal reinvention. This is a good window to tackle something you've been putting off because it feels too big or demanding.

♀ Venus Rx · ♑ Capricorn

Commitments made out of practicality rather than genuine connection are being quietly examined right now. Relationships with authority figures, professional partnerships, or long-term romantic arrangements may feel more burdensome than rewarding. This is a useful period for honest assessment — not for ending things prematurely.

♃ Jupiter Rx · ♋ Cancer

Emotional generosity and the expansion of close bonds may feel less available right now. Past connections, family relationships, or unresolved emotional commitments return to the foreground. Honest reflection on where your genuine care and loyalty are directed yields more than performing warmth you do not feel.

☾ Moon ☿ Opposition ♿ Mercury

Right now your feelings and your thoughts are pulling in different directions, which makes it hard to say what you actually mean. You might feel upset about something but explain it in a way that sounds cold or defensive, so people don't understand what's really bothering you. This mismatch between what you feel and what you say creates **confusion in conversations**, and you'll likely need to circle back later to clear things up.

☾ Moon △ Trine ♅ Uranus

These days you feel more willing to try things differently and less stuck by what you usually do. Your emotional reactions are quicker and more **open to change**, so you notice new possibilities instead of going along with the same routines. This makes it easier to break habits or suggest a different approach without it feeling scary or forced.
