KEY TRANSIT FACTORS

♀ Venus * Sextile ♁ natal NNode

Over the coming weeks, you find it easier to **say yes to people and opportunities that feel right**, without overthinking or second-guessing yourself. Your social confidence picks up naturally, and others respond well to you because you're more relaxed and genuine in conversations. This is a good time to accept invitations, start conversations with people who matter to you, or take a small social risk you've been considering.

☿ Mercury ∠ Semi sextile ♀ natal Venus

Over the coming weeks, you find it easier to say what you actually appreciate about people instead of keeping quiet. Your conversations flow more naturally when you're being genuine about what matters to you. This small shift in how you communicate makes your relationships feel a bit warmer and less guarded.

♆ Neptune ∠ Semi sextile ☾ natal Moon

These days you notice **softer feelings** about situations that normally upset you, making it easier to let minor annoyances pass without reaction. Your emotional responses feel less sharp while *Neptune* supports your *Moon*, and you find yourself more willing to give people the benefit of the doubt. This period is good for noticing what actually matters to you emotionally rather than defaulting to old defensive patterns.

♁ NNode qx Quincunx ♃ natal Jupiter

Right now you are noticing a mismatch between what you believe will make you happy and what actually does. You keep planning for bigger opportunities or better outcomes, but the details keep shifting in ways that require you to **adjust your expectations repeatedly**. Over the coming weeks, this awkward fit between your hopes and your real circumstances will push you to be more realistic about what you can actually control.

♁ Chiron ♂ Conjunction ♀ natal Venus

You are more aware right now of where you give too much in relationships and what you actually need in return. This clarity can feel uncomfortable because you start noticing **patterns you have ignored** — unequal effort, one-sided emotional support, or your own reluctance to ask for what matters to you. Over these weeks, you have a real chance to address what has not been working, though doing so will require you to speak up instead of staying comfortable.

♃ Jupiter Rx · ♌ Leo

Creative confidence and the desire to be seen or celebrated retreat inward during this period. Projects that were expanding boldly may need a quieter phase of consolidation and honest self-review. Evaluating what you are genuinely proud of versus what requires more work is the most honest use of this time.

☉ Sun ☌ Semi sextile ♀ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun ☌ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ☌ Semi sextile ♂ Mars

These days you feel **motivated to take small steps forward** without forcing things or burning out. Your practical energy matches what you actually want to do right now, so starting a project or having a difficult conversation feels less exhausting than usual. This is a good window to build momentum on something you care about while the effort still feels natural.

LUNAR DAY

Moon in ♌ Leo · Day 13 / 30 · Waxing Gibbous

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.

CLOTHING & JEWELRY
