KEY TRANSIT FACTORS

♀ Venus ☍ Opposition ☿ natal Mercury

Right now you're saying things you don't really mean, especially to people you care about, because what feels good to say isn't what's actually true. Your **words come out softer and less honest than usual**, which creates misunderstandings that pile up over these coming weeks. You'll need to deliberately slow down before you speak if you want to avoid saying yes to things you don't want or hiding your actual thoughts behind pleasantness.

♁ Chiron ☌ Conjunction ♃ natal Jupiter

Over the coming weeks, you're likely to notice where you've been overconfident or made promises you can't keep, especially in areas where you usually feel lucky or assured. This isn't punishment—it's **realistic feedback** about the gap between what you believe you can do and what actually works in practice. You may feel frustrated by limits you hadn't seen before, but this period gives you a chance to build your confidence on solid ground instead of assumption.

♅ Uranus ☌ Quincunx ♁ natal Chiron

Over the coming weeks, you may feel restless about areas where you've learned to accept limitations. **You notice yourself questioning old workarounds and feeling uncomfortable with compromises that used to feel necessary.** This discomfort is not a sign something is wrong—it's your mind flagging habits that no longer fit who you are becoming.

♆ Neptune ☌ Semi sextile ♃ natal Jupiter

These days you feel more **open to possibility** than usual, and small opportunities seem to appear without you forcing them. You might notice that people respond better when you speak from genuine feeling rather than trying to convince them with logic. Over the coming weeks, this softer approach often leads to unexpected support or connections that feel genuinely helpful.

☾ Moon ☌ Trine ☉ natal Sun

You feel **naturally confident about who you are** right now, which makes it easier to be yourself around others without second-guessing. People respond better to you because you're not defensive or apologetic, and that openness tends to smooth over small conflicts before they start. This emotional ease won't last forever, so use these weeks to handle conversations or decisions you've been putting off—your calm clarity makes real progress possible.

☉ Sun ☌ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☿ Mercury △ Trine ☿ Mars

These days your thinking is sharp and your words come out faster than usual, which makes it easier to get things done without overthinking. You find yourself **acting on ideas immediately** instead of sitting with them, and most of the time this pays off because your instincts are lined up with what you actually say. This is a practical window for tackling projects that need both quick decisions and clear communication.

☿ Mercury * Sextile ♆ Neptune

These days your mind works better with intuition than usual, and you pick up on what people really mean even when they do not say it directly. **You listen more carefully and remember details others miss**, which helps you understand situations more fully. This is a good time to write, have meaningful conversations, or think through problems in a calm and creative way.

LUNAR DAY

Moon in ♍ Virgo · Day 8 / 30 · First Quarter

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
