KEY TRANSIT FACTORS

♅ Uranus ☿ Quincunx ♁ natal Chiron

Over the coming weeks, you may feel restless about areas where you've learned to accept limitations. **You notice yourself questioning old workarounds and feeling uncomfortable with compromises that used to feel necessary.** This discomfort is not a sign something is wrong—it's your mind flagging habits that no longer fit who you are becoming.

♁ Chiron ♂ Conjunction ♃ natal Jupiter

Over the coming weeks, you're likely to notice where you've been overconfident or made promises you can't keep, especially in areas where you usually feel lucky or assured. This isn't punishment—it's **realistic feedback** about the gap between what you believe you can do and what actually works in practice. You may feel frustrated by limits you hadn't seen before, but this period gives you a chance to build your confidence on solid ground instead of assumption.

♅ Uranus ☐ Square ♂ natal Mars

These days you feel **restless and impatient with normal routines**, and you're more likely to act on impulses without thinking through the consequences. Your usual way of handling frustration stops working, so small annoyances trigger bigger reactions than they should. Over the coming weeks, this mismatch between what you want to do right now and what you actually should do will create real practical problems if you don't stay aware of it.

♀ Venus ♂ Opposition ☉ natal Sun

Right now you are more critical of yourself and less comfortable being the centre of attention. You may notice you're **withdrawing from social situations** or feeling like you don't measure up to others around you. This period can feel isolating, but it's actually showing you where your confidence needs real work rather than external validation.

♆ Neptune ∟ Semi sextile ♃ natal Jupiter

These days you feel more **open to possibility** than usual, and small opportunities seem to appear without you forcing them. You might notice that people respond better when you speak from genuine feeling rather than trying to convince them with logic. Over the coming weeks, this softer approach often leads to unexpected support or connections that feel genuinely helpful.

☉ Sun ♂ Opposition ☾ Moon

Right now you feel pulled in two directions at once, and it's hard to know what you actually want. You might notice yourself **acting one way in public and feeling something completely different inside**, which creates an awkward tension you can't ignore. This split between what you're showing others and what you're experiencing privately tends to make decisions feel impossible until the aspect passes.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☿ Quincunx ♇ Pluto

Right now you might feel **out of step with your own needs**, as if what you want and what's actually happening don't quite match up. You notice yourself making small adjustments to stay in control of a situation, only to realize those tweaks aren't really working. This mismatch between your intentions and real results can leave you feeling frustrated until you accept that some things need to shift more completely than you planned.

LUNAR DAY

Moon in ♑ Capricorn · Day 16 / 30 · Full Moon
