KEY TRANSIT FACTORS

♁ Chiron * Sextile ♀ natal Venus ★

Over the coming weeks, you find it easier to talk about what actually matters to you in relationships instead of staying quiet or pretending everything is fine. Your **honesty about your own needs** seems to land better with others right now, and people respond by opening up more too. This natural flow between what you feel and what you say creates real connection without the usual awkwardness or hurt feelings.

♁ Chiron * Sextile ♂ natal Mars ★

Right now you're finding it easier to **push through physical challenges without getting frustrated**, whether that's a nagging injury, fatigue, or something you've been avoiding at the gym. *Chiron* sextile your *Mars* is giving you a practical way to work with your body instead of against it. Over the coming weeks, you'll notice you can talk about what hurts without shame and actually do something constructive about it.

☉ Sun □ Square ♄ Saturn ★

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

♀ Venus △ Trine ♆ natal Neptune

These days you find it easier to **connect with people on a softer level**, and they respond well to your gentleness. Your romantic life or close relationships feel more fluid right now, with less friction and more natural understanding between you and others. Over the coming weeks, your appreciation for beauty and comfort also tends to make everyday moments feel a bit more pleasant.

♂ Mars □ Square ♃ natal Mercury

Right now you're more **quick to argue and interrupt** without thinking through what you're about to say. Your impatience makes it harder to listen, so conversations turn combative when they don't need to be. Over the coming weeks, you'll notice this pattern most at work or with people who challenge your ideas, and stopping to take a breath before you speak will save you real conflicts.

☉ Sun ♂ Conjunction ♀ natal Venus

Right now you're more **drawn to people and less interested in being alone**. You find it easier to start conversations, accept invitations, and let others see you as you really are. This period is good for asking for what you want in relationships, because you're more confident that you deserve it.

☉ Sun \angle Semi sextile ψ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

☉ Sun \angle Semi sextile \square Pluto

These days you have a quiet **ability to notice what really matters** underneath surface conversations and behaviour. Your psychological instincts are sharper than usual, so you pick up on unspoken feelings in others and respond with genuine understanding. This minor aspect between *the Sun* and *Pluto* gives you a practical advantage in conversations where honesty counts.
