## KEY TRANSIT FACTORS

### ♆ Neptune ☐ Square ♃ natal Mercury ★

Your thinking feels foggy right now, and you struggle to organize your thoughts into clear sentences or plans. You may say things you don't fully mean, misunderstand what others are telling you, or find yourself **second-guessing decisions** you would normally make quickly. Over the coming weeks, you will need to double-check important information and avoid signing contracts or making commitments until this confusion lifts.

### ☉ Sun ☐ Square ♄ Saturn ★

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

### ♃ Jupiter ☐ Quincunx ♄ natal Saturn

Over the coming weeks, you feel caught between wanting to expand and needing to play it safe. You might say yes to an opportunity at work or in a relationship, then immediately feel anxious about whether you can actually handle it. **This creates a practical tension where you're pulling yourself in opposite directions**, making it hard to commit fully to new plans or let yourself relax into them.

### ♀ Venus ☌ Conjunction ♃ natal Jupiter

You feel more generous with your time and money right now, and people respond well to this openness. You're likely to say yes to social invitations, spend freely on things that bring pleasure, and **show up as warmer and more approachable than usual**. This window won't last long, so any goodwill you build or connections you strengthen during these weeks tend to stick around after the transit fades.

### ♂ Mars △ Trine ☉ natal Sun

These days you have natural **momentum behind your plans**, and things you start tend to move forward without you having to push as hard. Your physical energy is steady and reliable right now, so you can tackle practical tasks or exercise routines without the usual fatigue getting in the way. The combination of *Mars* and your *Sun* means your confidence and your ability to act are working together, making it easier to do things that actually matter to you.

### ♄ Saturn ☌ Opposition ♁ natal Chiron

Right now you are running into hard limits on what you can do to help or fix things for people around you, and it feels like failure. You keep trying to solve problems that aren't yours to solve, and **reality is pushing back harder than usual**. Over the coming weeks, you'll need to accept that some pain in your life or others' lives cannot be managed away, no matter how skilled you are at it.

### ☉ Sun ♂ Conjunction ♆ Neptune

Right now your sense of what is real gets softer and less clear. You might find yourself **believing things without checking them first** or making decisions based on feelings instead of facts. This is a good time to notice when you are being vague or wishful, and to ask someone you trust whether your view of a situation actually matches what is happening.

### ☉ Sun \* Sextile ♇ Pluto

These days you find it easier to **spot what needs to change** in your life without feeling overwhelmed by it. The practical support between *Sun* and *Pluto* means you can see problems clearly and actually do something about them instead of avoiding them. This is a good window for tackling projects that require focus and honesty about what's really going on.
