## KEY TRANSIT FACTORS

### ♂ Mars ☾ Semi sextile ♃ natal Mercury ★

Your mind feels sharper these days, and you're picking up on details you'd normally miss in conversations. **You speak with more directness and confidence**, which helps you get your point across without wasting time on unnecessary words. This is a practical window for tackling projects that need clear thinking or sorting out plans you've been sitting with.

### ♊ NNode ☿ Quincunx ♅ natal Uranus

Your usual way of handling change feels awkward right now, like your instinct for independence is out of sync with what you actually need to do. You might notice yourself wanting to break free from something at the same time you're supposed to be working within a system or commitment. **The mismatch between your need for freedom and your practical obligations** creates low-level friction that makes decisions harder than they should be, and this typically settles down over the coming weeks.

### ☉ Sun ☿ Quincunx ♂ natal Mars

Over the coming weeks, you may notice that your usual way of getting things done feels slightly out of step with what you actually want to accomplish. Your drive and your sense of purpose are not quite aligned, which can leave you feeling **restless or mildly frustrated** even when you're being productive. The mismatch is not dramatic, but it's enough to make you second-guess your decisions or adjust your approach more often than usual.

### ♁ Chiron ☐ Square ☉ natal Sun

Over the coming weeks, you'll feel **self-doubt creeping into situations where you'd normally feel confident**. Small failures or critical feedback will sting more than usual, and you may withdraw from activities where you typically lead. This is *Chiron* square your *Sun* forcing you to notice where your confidence is fragile or built on shaky ground.

### ♀ Venus \* Sextile ♊ natal NNode

Over the coming weeks, you find it easier to **say yes to people and opportunities that feel right**, without overthinking or second-guessing yourself. Your social confidence picks up naturally, and others respond well to you because you're more relaxed and genuine in conversations. This is a good time to accept invitations, start conversations with people who matter to you, or take a small social risk you've been considering.

### ☿ Mercury Rx · ♎ Libra

Relationship negotiations, contracts, and pending decisions become tangled right now. You may revisit agreements or feel pressure to reconsider commitments you thought were settled. Avoid finalizing important partnerships or legal matters until Mercury stations direct — clarifying existing arrangements is more productive.

### ♄ Saturn Rx · ♊ Gemini

Mental discipline and consistency in communication are being tested right now. Projects that require sustained intellectual effort may expose areas where your commitment has been shallow. Returning to half-finished work rewards you more during this period than starting fresh.

### ☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

### ☉ Sun \* Sextile ♄ Chiron

Right now you find it easier to talk about things that usually stay hidden, and people respond by listening instead of dismissing you. Your **willingness to admit weakness** actually makes others trust you more because you seem real. This is a good time to ask for help with something you have been carrying alone, because the practical support tends to show up.

### ☉ Sun △ Trine ♁ NNode

Right now you find it easier to **do what actually suits you** instead of what you think you should do. People around you notice you seem more confident in small choices, like speaking up in meetings or trying something new without overthinking it. This period supports you in building habits and friendships that feel genuinely right for your life.
