KEY DATE

☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

KEY TRANSIT FACTORS

☉ Sun ☐ Square ♆ natal Neptune ★

Right now you are **harder to pin down** — your priorities shift without warning and you struggle to follow through on what you said you would do. People around you get frustrated because you seem unreliable, when really you are just confused about what you actually want. These weeks are asking you to get clearer about your real goals instead of drifting between vague possibilities.

☾ Moon △ Trine ♂ Mars ★

Right now you feel like acting on what matters to you instead of overthinking it. **Your emotions and your willingness to do things are working together**, so a project you've been hesitant about suddenly feels doable. These days small tasks get done faster and conversations feel easier because you're not second-guessing yourself.

♆ Neptune ♂ Opposition ♊ natal NNode

While this lasts, you may feel **unclear about which direction to take** in relationships or work, even when you normally have a clear sense of what matters to you. People around you might seem unreliable or send mixed signals, making it hard to know who to trust or what advice to follow. These weeks test your ability to stay grounded in what you actually know about yourself instead of drifting toward whatever feels easiest or most appealing.

♇ Pluto ☒ Quincunx ♁ natal Chiron

You're noticing that old defensive patterns are not working the way they used to, and this discomfort is forcing you to pay attention to how you protect yourself emotionally. **You feel pressure to change something**, but the exact solution isn't clear yet, so you're stuck between what you know and what might work better. Over the coming weeks, this awkward feeling is actually pointing you toward a more honest way of handling your own pain and the pain you see in others.

♅ Uranus ∟ Semi sextile ☉ natal Sun

These days you feel **ready to try something different** without needing to blow up your whole life to do it. Small changes at work or home suddenly feel possible, and you notice you're less attached to how things have always been done. This is a good window to test out new routines or introduce fresh ideas that have been sitting in the back of your mind.

♄ Saturn ☐ Square ♀ natal Mars

Right now you're running into delays and resistance whenever you try to push forward on anything. Your usual speed and confidence feel blocked, and you may notice **frustration building because things take twice as long as you expect**. This period is teaching you that forcing your way through doesn't work, though that lesson feels uncomfortable while you're living it.

☿ Mercury Rx · ♎ Libra

Relationship negotiations, contracts, and pending decisions become tangled right now. You may revisit agreements or feel pressure to reconsider commitments you thought were settled. Avoid finalizing important partnerships or legal matters until Mercury stations direct — clarifying existing arrangements is more productive.

☼ Sun ☊ Quincunx ♂ Uranus

At the moment you feel pulled in two directions without clear reason, and small changes in routine throw you off balance more than usual. Your usual way of doing things no longer feels quite right, but you don't yet see what would work better, which creates **restless dissatisfaction**. These days minor adjustments in your practical life take more energy and patience than they should.

☾ Moon ☐ Square ☿ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.
