KEY TRANSIT FACTORS

♁ Chiron △ Trine ♁ natal Chiron

Right now you find it easier to talk about your past difficulties without getting stuck in them or needing to defend yourself. You notice you can listen to other people's struggles with real patience instead of jumping to fix things or turning the conversation back to yourself. This **steadier, more grounded way of helping** feels natural, and people respond by opening up more genuinely around you.

☉ Sun □ Square ♇ natal Pluto

Right now you are **pushing hard against people or situations that feel controlling**, and this is likely to create real friction in your relationships and work. You may notice you are more irritable than usual, especially when someone challenges your authority or when you feel your independence is being threatened. Over the coming weeks, this friction will either force you to set clearer boundaries or lead you into unnecessary conflicts that exhaust you.

♀ Venus * Sextile ♁ natal Chiron

Right now you find it easier to be kind to yourself about your past mistakes and insecurities. You're more likely to **accept your own flaws without harsh judgment** and actually mean it. This shift makes it simpler to have honest conversations with people you care about, since you're not defending yourself or hiding anymore.

♂ Mars qx Quincunx ♁ natal NNode

Over the coming weeks, you may notice yourself **pushing harder toward goals that don't quite fit what you actually want**. Your drive and impatience are working against your natural instincts about which direction makes sense for you. This friction usually passes as you learn to slow down and check whether your effort is pointed the right way.

☾ Moon ♂ Conjunction ☿ natal Mercury

Your thoughts feel more connected to what you're actually feeling right now, making conversations easier and more honest. You'll notice you're **talking more openly about personal things** and people seem to understand you better without needing explanations. Over the coming weeks, this natural flow between your mind and emotions will fade, so use it while you have it to sort out anything you've been holding back.

☉ Sun qx Quincunx ☾ Moon

At the moment, your **emotional needs and practical goals are pulling in different directions**, and this creates a low-level discomfort that's hard to name. You might feel restless or slightly out of sync—your body wants one thing while your mind is focused on something else entirely. This isn't a crisis, but it does mean you'll need to make small adjustments throughout the day to feel more settled.

☉ Sun ∠ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun * Sextile ♃ NNode

Right now you find it easier to **say yes to opportunities that feel natural** instead of forcing yourself into situations that do not fit you. People around you notice you are more relaxed about taking small steps forward, and you move with less self-doubt. This period supports you in choosing what actually matches who you are becoming, rather than chasing what you think you should want.

LUNAR DAY

Moon in ♒ Aquarius · Day 18 / 30 · Full Moon

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
