## KEY TRANSIT FACTORS

### ♃ Jupiter ☾ Semi sextile ☿ natal Mercury

Your thinking becomes more practical and purposeful these days, and you find it easier to explain your ideas to other people without getting tangled up in details. You're **more optimistic about what you can accomplish** when you speak up or write something down, and that confidence often translates into real results. Over the coming weeks, small conversations or written messages tend to open doors that might have stayed closed before.

### ♇ Pluto ☿ Quincunx ☾ natal Moon

These days you feel like your emotions don't quite fit the situation, so you keep adjusting how you respond to people without really understanding why. Your instinct is to **control how much you show of yourself**, which can leave you feeling disconnected even in conversations that matter. Over the coming weeks, noticing this pattern of holding back will help you figure out what you actually need rather than just managing what others might think.

### ♂ Mars ☐ Square ♂ natal Mars

Right now you feel **irritable and quick to react** to small frustrations that normally wouldn't bother you. Your impatience makes it hard to work through tasks methodically, and you might snap at people or rush into decisions you later regret. This friction between what you want to do immediately and what actually needs doing tends to create conflict at work and at home over the coming weeks.

### ☾ Moon \* Sextile ♇ natal Pluto

Right now you find it easier to talk about things that usually feel too difficult or personal. Your **willingness to be honest** about what you actually feel creates real connection with the people around you. Over the coming weeks, this openness helps you work through old emotional patterns without getting stuck in them.

### ♅ Uranus ☌ Conjunction ♀ natal Venus

You are feeling **restless in your relationships and attractions right now**, wanting something different from what you've had before. Your taste in people or partners may shift suddenly, or you might find yourself drawn to people who are unpredictable or unconventional. This period pushes you to question what you actually want instead of staying comfortable with familiar patterns.

### ☉ Sun ☌ Conjunction ♇ natal Pluto

These days you're more aware of what actually matters to you and less willing to pretend otherwise. You may feel **driven to make real changes** — dropping habits that feel fake or relationships that drain you — even if it makes things uncomfortable for a while. This isn't about drama; it's about wanting your life to match what you actually believe.

### ☾ Moon ☌ Semi sextile ☿ natal Mercury

These days your thoughts and feelings are **naturally aligned**, so what you say matches what you actually feel inside. You find it easier to explain what is bothering you or what you need without getting confused or defensive. This makes conversations smoother because people understand you the first time instead of having to guess what you mean.

### ☾ Moon ✳ Sextile ♀ Venus

Right now you find it easier to **express what you actually feel** without worrying what others will think. People around you respond well because you seem more genuine and relaxed than usual. This is a good period to have honest conversations or do something kind for someone close to you.
