KEY TRANSIT FACTORS

☾ Moon ☿ Quincunx ♃ natal Mercury ★

Over the coming weeks, you find it hard to say exactly what you mean even though you know what you're thinking. Your words come out **awkward or incomplete**, and people sometimes misunderstand you or ask you to repeat yourself. This mismatch between what's in your head and what comes out of your mouth will pass, but right now it's worth slowing down and checking that others actually understand you before moving on.

☿ Mercury ☿ Quincunx ☾ natal Moon ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

☾ Moon ∟ Semi sextile ♇ natal Pluto

You feel more **willing to face uncomfortable truths** about yourself without getting overwhelmed right now. Your emotional responses are steadier when difficult topics come up, so you can actually think clearly instead of shutting down. This is a good window to have honest conversations or make practical changes you've been putting off.

♆ Neptune △ Trine ♇ natal Pluto

You're finding it easier to let go of situations that no longer serve you without drama or resistance right now. Your practical instincts are sharper about which changes are worth making and which problems will solve themselves if you stop pushing. *Neptune* trine *Pluto* gives you a **calm acceptance of transformation** that makes difficult decisions feel less like crises and more like natural course corrections.

♂ Mars ☿ Quincunx ♀ natal Venus

These days you feel **restless in your relationships and attractions**, as if what usually satisfies you no longer fits quite right. Your desires and your actions keep pulling in different directions, so you end up pursuing what you want in awkward or roundabout ways. Over the coming weeks, you may notice you're making social or romantic moves that feel off-timing, or you're frustrated because your energy doesn't match what your heart actually needs.

☉ Sun △ Trine ♂ Mars

Right now you feel **capable and ready to act** on things you've been thinking about. You have the psychological boost to start projects or push through obstacles without burning out or getting frustrated. This period makes practical effort feel natural instead of forced.

☉ Sun * Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

☉ Sun * Sextile ♄ Chiron

Right now you find it easier to talk about things that usually stay hidden, and people respond by listening instead of dismissing you. Your **willingness to admit weakness** actually makes others trust you more because you seem real. This is a good time to ask for help with something you have been carrying alone, because the practical support tends to show up.

* = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNAR DAY

Moon in ♍ Virgo · Day 23 / 30 · Last Quarter

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
