KEY TRANSIT FACTORS

♁ NNode * Sextile ♃ natal Jupiter ★

You find it easier to say yes to opportunities that actually align with what you want, rather than forcing yourself into situations that feel wrong. **Your judgment about which invitations and offers are worth your time becomes sharper**, and people respond well when you move toward them with this kind of clarity. Over the coming weeks, you'll likely notice doors opening in areas where you've been quietly hoping for movement, whether that's socially, professionally, or in learning something new.

♁ NNode * Sextile ♄ natal Saturn ★

You find it easier right now to **follow through on commitments without getting sidetracked**, whether at work or in your personal projects. The practical support from *Saturn* meeting the direction of the *North Node* means you can actually stick to a plan instead of abandoning it halfway. Over the coming weeks, this steadiness helps you build real credibility with people who matter to you.

☿ Mercury ∟ Semi sextile ☉ natal Sun ★

Right now your thinking becomes **clearer and more practical**, making it easier to solve small problems without getting tangled up in details. You notice yourself communicating more directly with people around you, which helps conversations flow better and cuts down on misunderstandings. Over the coming weeks, this mental clarity gives you a quiet confidence to handle tasks you've been putting off or thinking about too much.

♄ Saturn * Sextile ♆ natal Neptune

Over the coming weeks, you find it easier to **turn your daydreams into actual plans**. Your imagination stays creative but your practical mind kicks in at the same time, so you can sketch out real steps instead of just feeling inspired. This is a good window to start that project you've been thinking about or to organize something that felt too vague before.

♅ Uranus ∞ Opposition ♃ natal Jupiter

Right now you are **questioning beliefs and plans that felt solid weeks ago**, and this doubt is making it hard to commit to anything. Your usual optimism about the future is getting interrupted by a voice telling you that what you want might not work, or that you have been overlooking real problems. Over the coming weeks this restlessness will push you to rethink your direction, but the process feels uncomfortable and destabilizing rather than clarifying.

♄ Saturn Rx · ♎ Libra

Commitments, contracts, and relationship structures are being reviewed for their genuine fairness and sustainability. Long-standing agreements that have been tolerated rather than honored may surface for honest reassessment. This period asks you to hold yourself to the same standards you expect from others.

☉ Sun △ Trine ♇ Pluto

These days you find it easier to **face difficult truths about yourself without falling apart**. You can look at your mistakes and weaknesses directly, then decide what to actually change instead of avoiding the problem. This psychological clarity helps you make real improvements in how you work, relate to others, or handle money.

☉ Sun * Sextile ♄ Chiron

Right now you find it easier to talk about things that usually stay hidden, and people respond by listening instead of dismissing you. Your **willingness to admit weakness** actually makes others trust you more because you seem real. This is a good time to ask for help with something you have been carrying alone, because the practical support tends to show up.

☉ Sun ☿ Conjunction ♁ Lilith

Right now you're more willing to speak up about what you actually want instead of what you think others expect from you. You might notice yourself saying no more often or pushing back against rules that feel unfair. This directness can create friction in some relationships, but it also clears the air by making your real position obvious.

Moon in ♎ Libra · Day 12 / 30 · Waxing Gibbous

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
