KEY TRANSIT FACTORS

♂ Mars ☌ Semi sextile ☽ natal Moon

These days you're finding it easier to act on what you actually feel instead of sitting with emotions until they build up. Your instinct to do something practical when you're upset or restless is working well for you right now. This **willingness to move forward emotionally** means small conflicts settle faster and you feel less stuck in your own moods.

♃ Jupiter ☌ Trine ♀ natal Venus

Right now you're naturally more **generous and open-handed** with people around you, and they notice. You find it easier to say yes to invitations, spend money on things that bring you joy, and let others see you enjoying yourself without guilt. This practical shift in how you move through social situations tends to bring more warmth back to you from the people in your life over these coming weeks.

♋ NNode ☌ Conjunction ♁ natal Lilith

These days you are more willing to say no to people and situations that feel wrong to you, even if it disappoints others. You notice yourself **setting boundaries without guilt** in ways that used to feel risky or selfish. This shift in your practical relationships will likely last several weeks as you test out what it actually feels like to prioritize your own comfort.

♋ NNode ☐ Square ♋ natal NNode

Right now you feel pulled in two directions about what you should be doing with your time and energy. You might say yes to commitments that conflict with each other, or feel **restless and unable to settle** on a clear priority. Over the coming weeks, this confusion usually pushes you to make a hard choice about which direction actually matters to you.

☉ Sun * Sextile ♆ natal Neptune

Right now you find it easier to **notice details you usually miss** in conversations and situations around you. Your imagination is working better than usual, so creative projects or problem-solving feels more natural without forcing it. People also seem more receptive to what you say, as if your words land more gently with them during these weeks.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

☽ Moon ☌ Trine ♀ Venus

These days you find it easier to tell people what you actually feel without worrying they will reject you. Your emotional needs and your desire for connection are **naturally aligned**, so you speak up when something matters instead of staying quiet. This is a good window to have conversations you have been putting off or to spend time with people who make you feel genuinely accepted.

› Moon ☾ Quincunx ♃ Mars

These days you might feel **restless without knowing why**, like your emotions want something your body isn't ready to deliver. Small tasks feel either pointless or urgent depending on your mood, and you could snap at someone over something that wouldn't normally bother you. The mismatch between what you feel like doing and what actually needs doing right now creates a practical friction that's hard to sit with.

LUNAR DAY

Moon in ♈ Aries · Day 14 / 30 · Waxing Gibbous

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
