♊ North Node	in ♌ Leo	8°35'49"	VIII Rx
♁ Lilith	in ♏ Scorpio	8°30'15"	XI

## KEY TRANSIT FACTORS

### ♁ Chiron ☌ Conjunction ☌ natal Mars

Right now you're noticing where you push too hard or hold back too much when you act. You might feel frustrated with yourself for either charging ahead without thinking or for being too cautious, and this **self-awareness about your own aggression** is temporary but useful. Over the coming weeks, pay attention to how you actually handle conflict or physical effort instead of assuming you know what you'll do.

### ♃ Jupiter ☌ Semi sextile ♆ natal Neptune

Over the coming weeks, you'll find it easier to **notice small details others miss** and pick up on what people really mean when they talk. Your intuition is quieter than usual but more reliable, so you can trust those gut feelings about situations or other people. This is a good time to act on creative ideas or make sense of something confusing because your mind is unusually clear right now.

### ☿ Mercury ☌ Conjunction ♁ natal Lilith

Over the coming weeks, you're more likely to say things you'd normally keep quiet about. You may notice yourself **speaking bluntly or asking direct questions** that feel almost uncomfortable coming out of your mouth. This isn't cruelty — it's just that your usual social filter is thinner right now, and your mind is sharper about spotting what doesn't add up.

### ☾ Moon ☌ Quincunx ♊ natal NNode

You feel **slightly out of step with what you normally want to work toward**, as if your immediate emotional needs don't quite match your longer-term direction. This mismatch creates a mild restlessness where you question whether you're on the right track, even though nothing concrete has changed. Over the coming weeks, you'll likely make small practical adjustments to your routine or goals just to reduce the discomfort.

### ♅ Uranus ☌ Square ☾ natal Moon

Your **emotional reactions feel unpredictable and harder to control** right now, catching you off guard in situations where you normally stay calm. People close to you may seem confused or frustrated because your mood shifts without warning, and you struggle to explain why you feel unsettled. Over the coming weeks, this restlessness pushes you to question habits and routines that no longer fit, but the process feels uncomfortable rather than liberating.

### ♀ Venus Rx · ♏ Scorpio

Deep-seated relationship patterns involving trust, control, or intimacy resurface during this period. Old jealousies, power imbalances, or unresolved emotional debts demand honest attention. What you have been avoiding about your closest connections is exactly what needs examination right now.

### ☉ Sun ☌ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun ☐ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

☾ Moon \* Sextile ♿ Mercury

These days your thoughts feel clearer and your feelings find words more easily than usual. You notice you can **explain what you're going through without getting stuck or defensive**, and other people seem to understand you better. This is a good time to have conversations that matter, because both your head and your heart are on the same team right now.

LUNAR DAY

Moon in ♑ Capricorn · Day 7 / 30 · Waxing Crescent

**Focus narrows toward responsibilities** and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.

CLOTHING & JEWELRY

Monday · ☾ Moon · Venus in Pisces

Monday belongs to the Moon — wear silver, white, or soft green tones. Moonstone or pearl as a pendant or ring amplifies the day's intuitive, nurturing energy.
