KEY DATE

♀ Venus enters ♒ Aquarius

Venus in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

KEY TRANSIT FACTORS

♀ Venus ☉ Opposition ☾ natal Moon

Right now you're caught between what you want emotionally and what you actually want to do socially, and it's making you feel pulled in opposite directions. You might find yourself either withdrawing from people or overcommitting to them in ways that leave you drained and resentful. These days the practical work is recognizing that your needs and other people's needs won't sync up perfectly, and that's not a sign something is wrong with you.

♅ Uranus ♁ Quincunx ♁ natal Uranus

You feel restless about routines that used to work for you, and small changes in your daily structure suddenly feel important to make. Your usual way of staying independent or rebelling against rules gets awkward or misaligned, like you are not sure whether to stick with what you know or push against it. Over the coming weeks, you might experiment more with how you organize your time or your space, testing what actually fits you right now.

☿ Mercury ☌ Conjunction ♂ natal Mars

Your mind is moving faster than usual right now, and you're more **direct and blunt in conversation** without meaning to offend. You say what you think immediately instead of filtering, which can help you cut through confusion but also create friction with people who prefer a gentler approach. Over the coming weeks, you'll notice you have more mental drive for arguments and debate, so use it on problems that actually need solving rather than picking fights.

♁ NNode ♁ Quincunx ♆ natal Neptune

These days you are noticing gaps between what you imagine and what actually works in your relationships or creative projects. You feel pulled toward **adjusting your expectations** because reality keeps bumping up against your daydreams. Over the coming weeks, this friction between fantasy and fact will push you to make small practical changes instead of waiting for perfect conditions.

♁ Chiron ☌ Trine ☾ natal Moon

Right now you find it easier to talk about what actually hurts instead of pushing feelings away or making yourself smaller. People around you respond differently when you speak from this honest place, and conversations that would normally feel risky become manageable. Over the coming weeks, this support from others gives you real permission to take your emotional needs seriously rather than dismissing them as weakness.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun ♂ Conjunction ♃ Neptune

Right now your sense of what is real gets softer and less clear. You might find yourself **believing things without checking them first** or making decisions based on feelings instead of facts. This is a good time to notice when you are being vague or wishful, and to ask someone you trust whether your view of a situation actually matches what is happening.

☾ Moon * Sextile ♀ Mercury

These days your thoughts feel clearer and your feelings find words more easily than usual. You notice you can **explain what you're going through without getting stuck or defensive**, and other people seem to understand you better. This is a good time to have conversations that matter, because both your head and your heart are on the same team right now.

LUNAR DAY

Moon in ♑ Capricorn · Day 26 / 30 · Last Quarter
