KEY TRANSIT FACTORS

☉ Sun ☿ Quincunx ♇ Pluto ★

Right now you might feel **out of step with your own needs**, as if what you want and what's actually happening don't quite match up. You notice yourself making small adjustments to stay in control of a situation, only to realize those tweaks aren't really working. This mismatch between your intentions and real results can leave you feeling frustrated until you accept that some things need to shift more completely than you planned.

♅ Uranus ∟ Semi sextile ☾ natal Moon

Over the coming weeks, you notice yourself willing to **try new routines without getting attached to them**, which makes daily life feel less rigid. Your emotional responses shift just enough to give you a little breathing room when you'd normally feel stuck in the same reactions. This gentle loosening helps you handle small changes at home or in your personal habits with more ease than usual.

♀ Venus ♂ Conjunction ♃ natal Jupiter

You feel more generous with your time and money right now, and people respond well to this openness. You're likely to say yes to social invitations, spend freely on things that bring pleasure, and **show up as warmer and more approachable than usual**. This window won't last long, so any goodwill you build or connections you strengthen during these weeks tend to stick around after the transit fades.

♂ Mars △ Trine ♆ natal Neptune

These days you find it easier to **act on creative ideas** without getting stuck in doubt or overthinking. Your instinct and intuition are working together, so you can move forward on projects that usually feel too vague or risky. Over the coming weeks, this practical confidence in your imagination can produce real results in art, music, writing, or any work that needs both vision and follow-through.

☿ Mercury ∟ Semi sextile ♁ natal NNode

These days you find it easier to **say what you actually mean** instead of holding back or overthinking your words. Your conversations with people tend to flow more naturally, and you pick up on what others really need to hear from you. This is a good time to share ideas you've been sitting on or to have those conversations you've been avoiding.

♀ Venus ♂ Conjunction ♄ natal Saturn

You're noticing that you want deeper, more serious connections right now instead of surface-level socializing. Your relationships feel more **meaningful when they come with real commitment and history**, and you're less interested in people who seem unreliable. This period favors long-term partnerships and practical arrangements over romantic excitement, so if you're single you might attract someone older or more established than usual.

♃ Jupiter Rx · ♄ Capricorn

Ambitions and long-term structures built on optimistic assumptions are being tested right now. Career growth or institutional commitments that seemed on track may require more realistic adjustment than you had planned. Reviewing what is genuinely working in your long-term strategy before continuing to build is the most productive use of this period.

☉ Sun ♂ Conjunction ♿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

LUNAR DAY

Moon in ♌ Leo · Day 29 / 30 · Waning Crescent

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
