KEY TRANSIT FACTORS

♂ Mars ∟ Semi sextile ♃ natal Mercury ★

Your mind feels sharper these days, and you're picking up on details you'd normally miss in conversations. **You speak with more directness and confidence**, which helps you get your point across without wasting time on unnecessary words. This is a practical window for tackling projects that need clear thinking or sorting out plans you've been sitting with.

♃ Jupiter ☿ Conjunction ♃ natal Mercury

You're thinking more expansively right now and your mind feels faster than usual. You're likely talking more, asking bigger questions, and finding it easier to explain your ideas to others. This is a good window to pitch a proposal, write something you've been putting off, or have conversations you've been avoiding because your confidence in what you're saying is genuinely higher.

♂ Mars * Sextile ☉ natal Sun

Right now you feel **naturally motivated to get things done** without pushing yourself too hard. Your confidence is steady, and you tackle practical tasks at work or home with clear direction and follow-through. This is an ideal window to start a project or commit to something you've been thinking about, because your actions line up with what actually matters to you.

♇ Pluto □ Square ♁ natal Chiron

Right now you're bumping up against old wounds that usually stay quiet, and it feels uncomfortable because you can't just ignore them the way you normally do. You might find yourself **overreacting to small slights or feeling defensive** about situations that wouldn't usually bother you. Over the coming weeks, this friction is forcing you to look at how you protect yourself—not to fix everything at once, but to notice where your defenses are actually holding you back from connecting with other people.

♁ Chiron ☿ Opposition ♅ natal Uranus

Right now you feel caught between wanting to break free and being afraid of what happens if you do. Your usual ways of handling independence stop working, leaving you frustrated and looking for an escape route that does not exist. Over the coming weeks, this friction forces you to see exactly where you have been avoiding responsibility for your own choices instead of blaming outside limits.

♃ Jupiter Rx · ♒ Aquarius

Ideas about social progress, collective improvement, and future-oriented goals turn inward during this period. Idealism that has been driving group efforts may need grounding in more concrete assessment. Reviewing rather than promoting your vision of how things could improve serves you better right now.

☉ Sun ☿ Quincunx ☾ Moon

At the moment, your **emotional needs and practical goals are pulling in different directions**, and this creates a low-level discomfort that's hard to name. You might feel restless or slightly out of sync—your body wants one thing while your mind is focused on something else entirely. This isn't a crisis, but it does mean you'll need to make small adjustments throughout the day to feel more settled.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☉ Sun ♀ Opposition ♃ Neptune

Right now you are **more likely to feel confused about what you actually want** because the gap between your real goals and your wishful thinking is wider than usual. You might make promises you cannot keep or agree to things without checking the practical details first. The emotional fog makes it harder to trust your own judgment, so this is a good time to ask someone else before you commit to anything important.

LUNAR DAY

Moon in ♉ Taurus · Day 18 / 30 · Full Moon

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.
