KEY TRANSIT FACTORS

☿ Mercury ☿ Quincunx ☾ natal Moon · peak 12 Dec ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

♂ Mars ∟ Semi sextile ☿ natal Mercury · peak 15 Dec ★

Your mind feels sharper these days, and you're picking up on details you'd normally miss in conversations. **You speak with more directness and confidence**, which helps you get your point across without wasting time on unnecessary words. This is a practical window for tackling projects that need clear thinking or sorting out plans you've been sitting with.

♊ NNode △ Trine ♄ natal Chiron · peak 12 Dec

Right now you find it easier to talk about your past mistakes and disappointments without getting stuck in shame or defensiveness. People around you respond better when you speak honestly about what you've learned from difficult experiences, and you **naturally become more comfortable sharing your story**. Over the coming weeks, this openness creates real connections with others who have been through similar struggles.

♅ Uranus △ Trine ♃ natal Jupiter · peak 25 Dec

You are feeling unusually **open to new possibilities** and willing to try things you normally wouldn't consider. Your confidence is high right now, and you're noticing opportunities appear without you having to force them—people invite you to things, conversations lead somewhere unexpected, or a practical problem suddenly has a solution you hadn't seen before. This period supports taking calculated risks or making changes you've been thinking about, because your instinct for what will actually work is sharp.

♄ Chiron ☉ Opposition ♄ natal Chiron · peak 24 Dec

Right now you're running into situations where your usual coping strategies stop working the way they used to. You feel **more defensive about your weak spots** and less willing to accept help from others who see them. Over the coming weeks, this friction forces you to actually examine what you've been protecting instead of just moving past it.

♃ Jupiter ∟ Semi sextile ♀ natal Venus · peak 18 Dec

Over the coming weeks, you find it easier to say yes to social invitations and to express what you actually like about the people around you. **You're more generous with compliments and attention**, which tends to make conversations warmer and more genuine. This small shift in how you show up socially often leads to better connections and a quiet sense of contentment in your relationships.

♅ **Pluto** * **Sextile** ♋ **natal Jupiter** · peak 31 Dec

While this lasts, you feel more willing to **take calculated risks** and act on opportunities that normally would intimidate you. You're noticing that your instinct for what could work is sharper than usual, and people respond well when you pitch ideas or ask for what you need. Over the coming weeks, this confidence tends to open doors in practical areas like work, finances, or learning something new.

♆ **Neptune** * **Sextile** ♂ **natal Mars** · peak 31 Dec

You find yourself **acting on your goals with less resistance and more creative confidence** while this transit lasts. Your usual drive to push forward softens into something more intuitive, and you accomplish things by feeling your way through obstacles rather than bulldozing past them. Over the coming weeks, people respond better to this quieter approach, and you discover that backing off the gas pedal actually gets you further.

♁ **Uranus** △ **Trine** ♄ **natal Saturn** · peak 31 Dec

Right now you can spot problems in your routines and systems without getting defensive about changing them. You feel **willing to experiment with practical improvements** while keeping what actually works. This is a rare window where your instinct for stability supports your curiosity about doing things differently.

♆ **Neptune** ∟ **Semi sextile** ☿ **natal Mercury** · peak 1 Dec

Right now your thinking becomes **more flexible and open to new ideas**, and you find yourself noticing details you usually miss in conversations and written information. Your mind feels more creative when problem-solving, and you're less likely to dismiss unusual suggestions out of hand. Over the coming weeks, this softer mental state helps you communicate in a gentler way and pick up on what people really mean underneath their words.

♅ **Pluto** * **Sextile** ♄ **natal Saturn** · peak 31 Dec

You find it easier right now to **follow through on difficult commitments** without burning out or second-guessing yourself. The combination of *Pluto* and *Saturn* gives you practical resolve rather than harsh self-criticism, so you can push toward your goals without feeling punished for it. Over the coming weeks, you may notice you're getting real results from work you started months ago, and that feels genuinely good.

♄ **Saturn** ∟ **Semi sextile** ♆ **natal Chiron** · peak 31 Dec

While this lasts, you're able to **turn your old wounds into practical wisdom** without getting stuck in the emotional weight of them. You notice yourself giving better advice to people who are struggling because you can draw on your own difficult experiences without reliving the pain. This period helps you build something solid and useful from what you've learned the hard way.

♆ **Neptune** * **Sextile** ♁ **natal Uranus** · peak 31 Dec

Over the coming weeks, your **creative thinking becomes unusually practical** — you find ways to bring odd ideas into real projects instead of just imagining them. You're drawn to trying unconventional approaches to familiar problems, and right now people actually listen because your suggestions make sense. This is a good time to experiment with new methods at work or tackle a personal project you've been avoiding because it seemed too different.

♁ **Uranus** ♀ **Opposition** ♃ **natal NNode** · peak 31 Dec

You feel pulled away from the people and commitments that usually ground you, and this creates real friction in your relationships and work life. Your instinct right now is to **break free from obligations**, but the timing often catches others off guard, leaving them confused or hurt. Over the coming weeks, you will have to choose between your need for independence and the practical consequences of abandoning plans that matter to the people around you.

♃ **Jupiter** △ **Trine** ♅ **natal Pluto** · peak 31 Dec

These days you find yourself **taking decisive action on things you've been planning for months**, and obstacles that usually block you seem to move out of the way. Your confidence in your own judgment is unusually high right now, so you trust your instincts about what needs to change in your life and you follow through. Over the coming weeks, this practical momentum can help you reshape a situation that's been stagnant or remove something that no longer serves you.

♄ **Saturn Rx** · ♈ **Aries**

Structures built on impulse rather than genuine foundation are being tested right now. Rules and commitments that felt constraining may now feel simply necessary. This period asks you to distinguish between the discipline you are avoiding and the limits that are genuinely serving your growth.

LUNATIONS

● New Moon · Monday, 1 Dec

in ♐ Sagittarius

new beliefs, expansion, broader horizons

in H1 — Self & Identity

A new cycle is opening around your sense of self and how you present to the world. This is the right moment to redefine how you want to be seen and to take deliberate steps toward a fresh start in your personal goals. **Physical changes, new habits, and shifts in your self-image** are all supported now. What you begin under this lunation has a direct impact on your confidence and direction for the next six months.

○ Full Moon · Saturday, 13 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H7 — Partnerships

A significant relationship is reaching a turning point. Something between you and a **partner, collaborator, or significant other** is being fully illuminated — what's been working, what hasn't, and what needs to change. This full moon often brings a relationship decision to the surface: a commitment deepening, a conflict coming to a head, or a partnership reaching its natural conclusion. See clearly what's actually in front of you, not what you've hoped it would become.

KEY DATES

Mon, 1 Dec ☿ Mercury enters ♑ Capricorn

New Moon in Sagittarius

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Mon, 8 Dec ☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

Fri, 12 Dec ♀ Venus enters ♒ Aquarius

♁ NNode △ Trine ♄ natal Chiron

Venus in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

Sat, 13 Dec Full Moon in Gemini

Sun, 14 Dec ☿ Mercury enters ♐ Sagittarius

♅ Uranus △ Trine ♃ natal Jupiter

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

Mon, 15 Dec ♃ Lilith enters ♎ Libra

Lilith in *Libra* makes people **speak up more directly** about unfair treatment, especially in partnerships and work teams where they've been quiet before. When disagreements come up, you'll notice **less tolerance for pretending** everything is fine — conversations get real, and people stop accepting one-sided arrangements. At work and in relationships, the shift shows as **stronger boundary-setting**, with individuals refusing roles that feel like they're doing all the emotional labor or compromise.

Tue, 16 Dec ♄ Saturn stations Direct

Saturn turning direct means **stuck decisions and delayed projects** can finally move again after months of standing still. What felt unclear or blocked in your work, finances, or long-term plans becomes **clearer and actionable** as *Saturn* pushes forward. The pattern most people notice is **real progress on what matters** — whether that's getting a commitment from someone, finishing something you started, or seeing results from hard work you put in during the retrograde.

Thu, 18 Dec ♂ Mars enters ♒ Aquarius

Mars in *Aquarius* pushes people to **act on ideas** rather than emotions, so you'll notice a shift toward logical problem-solving and less patience for traditional ways of doing things at work or in groups. In relationships and conversations, this transit brings **directness about independence** — people tend to state what they want without softening it, which can feel refreshing or blunt depending on who you're talking to. The pattern is that **group projects and teamwork** become more appealing than solo efforts, even though *Mars* here makes people more willing to disagree with the group if they think something's wrong.

Sun, 21 Dec ♅ Pluto ✖ Sextile ♃ natal Jupiter

♆ Neptune ✖ Sextile ♂ natal Mars

Mon, 22 Dec ☉ Sun enters ♑ Capricorn

♁ NNode △ Trine ♄ natal Chiron

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Wed, 24 Dec ♄ Chiron ♂ Opposition ♄ natal Chiron

Thu, 25 Dec ♅ Uranus △ Trine ♃ natal Jupiter

Sat, 27 Dec ♀ Mercury stations Direct

♀ Venus stations Retrograde

Mercury stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

Wed, 31 Dec ♅ Pluto ✖ Sextile ♃ natal Jupiter

♆ Neptune ✖ Sextile ♂ natal Mars

♅ Uranus △ Trine ♄ natal Saturn

♅ Pluto ✖ Sextile ♄ natal Saturn
