KEY TRANSIT FACTORS

☿ Mercury ☿ Quincunx ☾ natal Moon · peak 11 Dec ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

♁ NNode △ Trine ♄ natal Chiron · peak 20 Dec

Right now you find it easier to talk about your past mistakes and disappointments without getting stuck in shame or defensiveness. People around you respond better when you speak honestly about what you've learned from difficult experiences, and you **naturally become more comfortable sharing your story**. Over the coming weeks, this openness creates real connections with others who have been through similar struggles.

♇ Pluto △ Trine ♄ natal Saturn · peak 21 Dec

You find it easier right now to stick with difficult tasks without losing confidence in yourself. **You work with steady focus** on what actually matters, turning big goals into concrete steps. This period supports you in building something real that lasts, whether at work or in how you organize your life.

♃ Jupiter * Sextile ♆ natal Neptune · peak 30 Dec

Over the coming weeks, you find it easier to **trust your intuition without overthinking**, and this quieter confidence actually helps you make better decisions in practical situations. Your imagination feels less chaotic right now, and you can use creative ideas to solve real problems at work or in your relationships instead of getting lost in them. This is a good window to act on something you've been imagining or planning, because your instincts and your common sense are actually working together.

♃ Jupiter ♂ Conjunction ♇ natal Pluto · peak 22 Dec

Right now you are drawn to situations where you can take charge and reshape things that feel stalled or broken. You may push harder than usual to gain control over a project, relationship, or part of your life that frustrates you—and **your determination is real, but you risk overwhelming others or moving too fast**. Over the coming weeks, notice whether you are solving actual problems or simply trying to force change for its own sake.

♇ Pluto △ Trine ♃ natal Jupiter · peak 1 Dec

Over the coming weeks, you find it easier to take productive risks and push past self-imposed limits without overthinking. Your **confidence in your own judgment grows**, and you're more likely to follow through on plans that require persistence or personal reinvention. This is a good window to tackle something you've been putting off because it feels too big or demanding.

♃ Jupiter qx Quincunx ☉ natal Sun · peak 31 Dec

Over the coming weeks, you feel pulled toward bigger plans or ambitions but find the timing awkward — what looks promising on paper doesn't fit smoothly into your actual life right now. You may **start projects with real enthusiasm only to realize they need reworking** once you see how they actually slot into your schedule or resources. This period asks you to adjust your expectations rather than push forward unchanged, and that kind of practical recalibration takes patience.

♆ Neptune ☉ Opposition ♃ natal Jupiter · peak 1 Dec

Your usual confidence in your own judgment is shaky right now, and you are more likely to **ignore warning signs or minimize real problems** because you want to believe things will work out on their own. Over the coming weeks, your optimism can actually cost you money or damage relationships if you skip practical steps like checking facts, reading contracts, or having honest conversations. The challenge here is to slow down your natural tendency to assume the best and actually verify what people are telling you before you commit.

♁ Lilith ♂ Conjunction ♂ natal Mars · peak 1 Dec

Right now you're more willing to act on what you actually want instead of what you think you should do, and this shows up as **pushing back against rules or expectations that don't fit you**. You might say no more often, stand your ground in conversations, or make choices that feel personally true even if they upset someone else. These days this directness can feel good and necessary, though others may find you harder to manage than usual.

♃ Jupiter qx Quincunx ♀ natal Venus · peak 1 Dec

Right now you're noticing that what you want socially or romantically doesn't quite fit with what you're actually doing about it. You might feel **pulled in opposite directions**—generous impulses clash with practical limits, or you're generous in ways that don't land the way you hoped. Over the coming weeks, small adjustments to how you show up in relationships will feel more natural than pushing harder in any one direction.

♇ Pluto ☉ Opposition ♃ natal NNode · peak 31 Dec

Over the coming weeks, you may feel pulled to abandon the relationships and routines that normally sustain you, creating real friction in your personal life. People close to you might notice you're withdrawing or acting **unusually dismissive of their needs**, which can damage trust right when you need support most. This period asks you to examine whether you're running from genuine connection or genuinely outgrowing it—but the clarity won't come easily while this lasts.

♆ Neptune ☉ Opposition ♄ natal Saturn · peak 1 Dec

Right now you are caught between wanting to escape your responsibilities and needing to keep things in order, which creates real confusion about what you should actually do. You may **avoid making decisions or following through on commitments** because the practical next steps feel unclear or pointless to you. Over the coming weeks, this friction between *Neptune's* desire to dissolve boundaries and *Saturn's* demand for structure will likely show up as missed deadlines, vague promises you can't keep, or a creeping sense that your plans are falling apart.

♄ Saturn qx Quincunx ♃ natal Jupiter · peak 1 Dec

Over the coming weeks, you feel caught between wanting to expand your plans and a nagging sense that something needs tightening up. You find yourself **second-guessing decisions you would normally make quickly**, asking practical questions about timelines and resources that didn't occur to you before. This mismatch between your optimism and your caution isn't comfortable, but it often leads to better-prepared choices once you sit with the discomfort.

♄ Saturn qx Quincunx ♄ natal Saturn · peak 1 Dec

These days you notice your usual routines feel slightly off balance, as if the structure you rely on no longer fits quite right. You might find yourself **adjusting your approach to work or discipline** more often than usual, catching small inefficiencies you'd overlooked before. This discomfort is temporary and often points to practical changes worth making once this period passes.

♄ Chiron qx Quincunx ♃ natal Jupiter · peak 1 Dec

Over the coming weeks, you notice a mismatch between what you want to believe about yourself and what actually works in your life. You find yourself **questioning your usual confidence** or having to adjust your plans when reality doesn't match your expectations. This gap between your hopes and the practical results you're getting will likely push you to make small changes to how you approach problems.

♄ Saturn Rx · ♉ Taurus

Long-term financial structures, material commitments, and patterns of security are under review during this period. What you have been relying on for stability may require more active maintenance than you had assumed. Honest reckoning with resources and long-term obligations is the most useful work you can do right now.

PROGRESSED MOON

○ Progressed Moon in ♈ Aries 29.8° H5

○ Progressed Moon Quincunx ♃ natal Uranus

LUNATIONS

○ Full Moon · Friday, 1 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H6 — Health & Service

A health situation or work matter is coming to a head. Something in your **daily routines, workplace dynamics, or physical wellbeing** can no longer be deferred — it needs attention and resolution. Overwork, health imbalances, or conflicts with colleagues become impossible to ignore under this full moon. This is the moment to address what your body has been signaling, complete a work project, or acknowledge a work dynamic that isn't sustainable.

● New Moon · Saturday, 16 Dec

in ♐ Sagittarius

new beliefs, expansion, broader horizons

in H1 — Self & Identity

A new cycle is opening around your sense of self and how you present to the world. This is the right moment to redefine how you want to be seen and to take deliberate steps toward a fresh start in your personal goals. **Physical changes, new habits, and shifts in your self-image** are all supported now. What you begin under this lunation has a direct impact on your confidence and direction for the next six months.

KEY DATES

Fri, 1 Dec Full Moon in Gemini

♅ Pluto △ Trine ♃ natal Jupiter
♆ Neptune ♂ Opposition ♃ natal Jupiter
♁ Lilith ♂ Conjunction ♂ natal Mars

Sat, 2 Dec ♁ Lilith enters ♈ Aries

Lilith in *Aries* pushes people to **speak up and set boundaries** without waiting for permission or worrying about others' approval. At work and in relationships, you'll notice a **sharper willingness to disagree**, defend your own needs, and walk away from situations that feel controlling or unfair. This transit typically brings **impatience with people-pleasing** — expect less tolerance for being told what to do, and more direct conflict when someone tries to override your choices.

Sun, 10 Dec ☿ Mercury enters ♐ Capricorn

♁ NNode △ Trine ♄ natal Chiron

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Mon, 11 Dec ♅ Pluto △ Trine ♃ natal Jupiter

Fri, 15 Dec ♀ Venus enters ♐ Sagittarius

Venus in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

Sat, 16 Dec New Moon in Sagittarius

Sun, 17 Dec ♆ Neptune stations Direct

Neptune stationing direct means **confusion clears up** in areas where you've been stuck or uncertain — contracts, creative projects, or health decisions start moving again instead of feeling frozen. People often notice they can **see reality more clearly** now, especially about situations they've been avoiding or romanticizing, so you might finally act on something you've been postponing. *Neptune* direct also **restarts forward momentum** in your intuition and imagination, making it easier to finish creative work or set clearer boundaries in relationships rather than staying tangled in vague patterns.

Wed, 20 Dec ♁ NNode △ Trine ♄ natal Chiron

Thu, 21 Dec ☼ Sun enters ♐ Capricorn

♂ Mars enters ♎ Libra
♅ Pluto △ Trine ♄ natal Saturn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a

push for efficiency over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.
