## SOLAR ANALYSIS

### Solar ASC ♍ Virgo → natal H9 — Expansion & Beliefs

The year expands your world. **Travel, higher education, philosophy, publishing, and the search for meaning** define this Solar Return placement. You're being called to move beyond your existing comfort zone — geographically, intellectually, or spiritually. Encounters with different cultures, belief systems, or teachers may shift your worldview. This is a year for broadening your horizons and committing to growth that goes beyond the immediate and practical.

### Dispositor ♀ Mercury → ♓ Pisces · natal H3 — Communication & Learning

The dispositor in the third house routes the year's energy through **communication, learning, and your immediate environment**. The year's themes will be worked out through conversations, ideas, short trips, and relationships with those nearby. Writing, speaking, and learning become key tools. Pay attention to what you're saying and to whom — **the quality of your everyday communication** is the mechanism through which this year's main opportunities and challenges will arrive.

### Singleton: ♂ Mars (Earth)

One planet handles all your practical grounding — money, physical security, and day-to-day reliability rest almost entirely on it. When it is well-placed, you can be impressively focused and productive in a specific area. When it is stressed, material concerns can feel overwhelming or entirely absent from your awareness. **Your practical energy concentrates rather than spreads**, which means you may be exceptionally capable in one domain while finding routine maintenance in other areas surprisingly difficult.

#### ♇ Natal Pluto → solar H2 cusp

0.2°

Your need for control over finances and resources becomes more apparent this year. You probe deeper into your own patterns with money and what you really value. **You may feel compelled to restructure your finances or commitments** in ways that feel necessary but intense. This is a good year to face what you have been avoiding about your material life.

#### ♂ Natal Mars → solar H7 cusp

0.2°

Your natural assertiveness and drive show up powerfully in partnerships this year. You attract partners who appreciate your confidence and directness. **Taking the lead in relationships feels natural** and others respond well. This is an excellent time to commit, negotiate important agreements, or stand up for yourself in partnerships.

### ♃ Jupiter · solar H4 rul. ♂ Conjunction ♊ natal NNode

Over the coming weeks, you're likely to **say yes to opportunities that normally wouldn't interest you**, and many of them will turn out better than expected. People seem to trust you more easily right now, which makes networking and making new contacts feel natural rather than forced. This is a practical window to expand your professional circle or take on projects that stretch your skills in ways you've wanted to for a while.

### ♅ Uranus · solar H5 rul. ☐ Square ♅ natal Uranus

Over the coming weeks, you'll feel unusually **restless and impatient with your current life setup**, even if things were working fine before. You'll question decisions you made years ago and feel a strong urge to change something, anything, but you won't have a clear idea of what actually needs to change. This frustration can push you toward reckless choices or sudden disruptions if you act without thinking, so the real challenge right now is to sit with the discomfort instead of breaking things just to feel different.

### ♇ Pluto · solar H3 rul. ☐ Square ♀ natal Venus

Your relationships feel strained right now as you become more critical of your partner or people close to you. You may notice yourself **withdrawing affection or testing whether people really care**, which often pushes them away further. Over the coming weeks, this pattern will force you to look honestly at what you actually want from your connections instead of settling for surface comfort.

### ☾ Moon ☐ Square ♁ natal Chiron

Right now your **emotional defences are getting poked**, and old hurts you thought you'd buried are coming back up. You're more irritable than usual and quicker to feel rejected, especially in conversations where someone disagrees with you or doesn't give you the reaction you wanted. These feelings will pass in a few days or weeks, but while this lasts you'll need to notice when you're snapping at people over small things instead of addressing what's actually bothering you underneath.

### ♂ Mars · solar H8 rul. ☐ Square ♃ natal Jupiter

You're more likely to overcommit right now, saying yes to things without thinking through what you actually have time for. Your impatience makes you **push forward recklessly**, and you end up wasting energy on projects that won't pay off or overselling your abilities to others. These days the gap between your confidence and your actual capacity becomes obvious, usually when you've already promised more than you can deliver.

### ☉ Sun · solar H11 rul. ☐ Square ♆ natal Neptune

Right now you are **harder to pin down** — your priorities shift without warning and you struggle to follow through on what you said you would do. People around you get frustrated because you seem unreliable, when really you are just confused about what you actually want. These weeks are asking you to get clearer about your real goals instead of drifting between vague possibilities.

### ♂ Mars · solar H8 rul. ☐ Square ♄ natal Saturn

Right now you feel **blocked and frustrated** when you try to move forward on anything that matters to you. You push hard, but something keeps pushing back — maybe it's a person, a rule, or just bad timing — and the harder you try, the more stuck you feel. Over the coming weeks, you'll have to learn to work within limits instead of against them, or you'll burn yourself out for no gain.

### ♀ Venus · solar H2/H9 rul. ☐ Square ♄ natal Chiron

Right now you're more aware of what you're not getting from the people close to you, and it stings more than usual. You might find yourself **withdrawing from social situations or feeling rejected** even when no one has actually hurt you. Over the coming weeks, this discomfort is pointing you toward recognizing where you've settled for less affection or respect than you actually need.
