KEY TRANSIT FACTORS

☉ Sun ∟ Semi sextile ♀ Venus ★

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

♃ Jupiter □ Square ♃ natal Jupiter

Right now you're caught between wanting to expand too fast and hitting real practical limits. You overestimate what you can handle, say yes to too much, and then feel frustrated when reality doesn't cooperate with your plans. These friction points are teaching you where your actual resources end, but the lesson feels annoying rather than helpful **while it lasts**.

♅ Uranus ∟ Semi sextile ♁ natal NNode

Over the coming weeks, you find yourself drawn toward people and situations that feel genuinely new and different from your usual circles. Your **natural curiosity about unconventional ideas** is stronger than usual, and you notice yourself asking better questions instead of accepting the first answer. These small shifts in how you explore the world are quietly putting you in contact with opportunities that align more closely with what you actually want to become.

☉ Sun * Sextile ♄ natal Saturn

Right now you feel **more capable of following through** on what you say you will do, and people notice the difference. Your practical judgment is sharper during this period, so you make fewer impulsive decisions and regret them less. This is the time to tackle projects that need real discipline and to build something that will actually last.

♁ Chiron ∟ Semi sextile ♃ natal Jupiter

Over the coming weeks, you find it easier to **bounce back from setbacks** without dwelling on what went wrong. A practical optimism kicks in where you normally second-guess yourself, and you naturally focus on what you can do next instead of rehashing mistakes. This small shift in your psychological resilience makes daily frustrations feel less personal and more like problems you can actually solve.

♃ Jupiter ♁ Opposition ♅ natal Uranus

Over the coming weeks, you're likely to feel **restless and impatient with rules or commitments that suddenly feel too tight**. You may make impulsive decisions about work, relationships, or finances that you'll regret once the initial excitement wears off. The practical cost of acting on every impulse right now is real, so slowing down before major changes will protect you from unnecessary damage.

♄ Saturn Rx · ♋ Pisces

The limits that protect your energy, compassion, and creative focus are being reconsidered right now. Boundaries that have been dissolved in the name of flexibility or kindness may be creating hidden costs. Building more deliberate structure into the areas of your life that feel most diffuse rewards you more than continued openness.

☉ Sun ♂ Conjunction ♿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ♋ Opposition ♁ NNode

Right now you are **pulled between what feels safe and what pushes you forward**, and this friction makes decision-making harder than usual. You notice yourself either clinging to familiar routines or suddenly abandoning them, without finding a middle ground that actually works. Over the coming weeks, this disconnect between your comfort zone and growth will keep surfacing in practical situations, forcing you to pick a direction instead of staying stuck.

LUNAR DAY

Moon in ♌ Leo · Day 26 / 30 · Last Quarter

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.

CLOTHING & JEWELRY
