KEY TRANSIT FACTORS

☉ Sun ☌ Opposition ♁ natal Chiron

Right now you are more aware than usual of where you feel inadequate or broken, and this awareness can make you defensive or irritable with people close to you. You might **push others away just when you need support most**, or pick fights over small things that actually reflect your own self-doubt. This period asks you to notice this pattern without acting on it, but the discomfort will likely stick around for a few weeks while *the Sun* opposes your *Chiron*.

♁ Chiron ☌ Semi sextile ♁ natal Chiron

You find yourself more willing to talk about things that normally feel difficult or private, and people respond better than you expected. This period brings a quieter kind of confidence where you stop pretending everything is fine and actually **admit what you struggle with**. Small conversations about real problems start to shift how you feel about yourself and what you thought you had to hide.

♄ Saturn ☌ Quincunx ☾ natal Moon

These days you feel a mismatch between what you need emotionally and what your life is actually set up to give you. You might find yourself feeling restless or slightly out of sync in your daily routines, or noticing that **your usual comfort strategies stop working the way they normally do**. Over the coming weeks, small adjustments to how you manage your time or handle responsibilities may help you feel more settled again.

♆ Neptune ☌ Quincunx ♅ natal Uranus

Over the coming weeks, you find yourself **second-guessing decisions you normally make without hesitation**, especially about independence or unconventional plans. Your instinct to break free from routine is still there, but doubt keeps creeping in about whether the timing or approach actually makes sense. This confusion fades once the transit passes and your clearer judgment returns.

♃ Jupiter * Sextile ♀ natal Venus

These days you find it easier to say yes to social invitations and connect with people who matter to you. You feel **naturally generous** with your time and attention, which makes others want to be around you more. This period is ideal for deepening friendships, starting new relationships, or simply enjoying the company you keep without forcing anything.

☉ Sun ☌ Opposition ♅ Uranus

Right now you feel a strong urge to break free from rules or routines that usually work fine, and this creates real friction with people around you. You might act impulsively or reject advice you would normally follow, making **sudden decisions without thinking through the practical consequences**. This period brings frustration because what you want to do conflicts with what actually needs to happen, and ignoring either side leaves you stuck.

☉ Sun ☿ Quincunx ♆ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.

☉ Sun ☐ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

LUNAR DAY

Moon in ♋ Pisces · Day 14 / 30 · Waxing Gibbous

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
