KEY TRANSIT FACTORS

☿ Mercury ☐ Square ♃ natal Mercury

Right now your thinking feels scattered and your words come out wrong more often than usual. You second-guess yourself mid-conversation, switch topics without finishing your point, and struggle to explain what you actually mean to people around you. This friction between what you think and what you say creates **misunderstandings at work and home** that frustrate both you and the people listening to you.

♃ Jupiter ☐ Square ♀ natal Venus

Right now you are **overestimating what others feel about you**, which makes you push harder for approval or affection than is actually welcome. You may spend more money on gifts or experiences hoping to win someone over, or say too much too soon in a new relationship because you feel so confident about the connection. When the other person does not respond with the same enthusiasm, you feel rejected and confused about where things went wrong.

☉ Sun ☉ Opposition ♇ natal Pluto

Right now you're running into **people and situations that won't bend to your will**, and it's bringing up real frustration. You may find yourself pushing harder to get control over something, only to hit resistance that makes you feel powerless. These days, this friction is actually showing you where you've been relying too much on force instead of listening to what's actually happening around you.

♅ Uranus * Sextile ♊ natal NNode

Right now you find it easier to **take practical steps toward the things you actually want to do**, without overthinking or second-guessing yourself. People around you notice you seem more willing to experiment with new approaches, and you're picking up on opportunities that would normally pass you by. This period works well for making small changes to your routine or trying something you've been curious about but hesitant to attempt.

♆ Neptune ∟ Semi sextile ♄ natal Saturn

Right now you find it easier to **soften rigid rules you've been following without questioning**, and this actually helps you get more done rather than less. Your practical judgment stays sharp while you become less harsh with yourself about small mistakes or delays. These next few weeks give you a real chance to loosen your grip on control and discover that things still work out fine.

☿ Mercury Rx · ♋ Pisces

Thinking becomes impressionistic rather than precise during this period, making concrete decisions harder than usual. Miscommunications arise from vagueness — what you think you said and what others heard often differ. Creative and intuitive work benefits from this diffuse quality; contracts and deadlines do not.

☉ Sun ∟ Semi sextile ♄ Chiron

These days you find it easier to **notice what actually bothers you instead of ignoring it**. This small shift in self-awareness means you can address practical problems before they get worse. The Sun and Chiron aspect right now creates a quiet window where you see yourself more clearly and can make real changes.

☾ Moon □ Square ♀ Venus

Right now your **emotional needs feel at odds with what you actually want** — you might crave closeness but feel irritable when someone gets near, or want to be alone but then feel rejected. This mismatch between Moon and Venus makes it harder to communicate what you need without sounding demanding or cold. Over the coming weeks, pay attention to these moments so you can spot the pattern and name it out loud before resentment builds up.

☾ Moon * Sextile ♂ Mars

Right now you feel like **taking action on things that matter to you emotionally**, and your body has the energy to back it up. You're not overthinking or second-guessing yourself as much as usual; instead you're moving forward with projects or conversations that felt stuck before. This is a practical window for getting things done without burning yourself out.

LUNAR DAY

Moon in ♑ Capricorn · Day 24 / 30 · Last Quarter

Focus narrows toward responsibilities and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.
