KEY TRANSIT FACTORS

♃ Jupiter △ Trine ☉ natal Sun ★

Right now you feel **more confident in yourself** and people around you pick up on that shift. You're more likely to speak up in meetings, take on new projects, or ask for what you want without overthinking it. Over the coming weeks, this is a practical time to pitch ideas, apply for opportunities, or have conversations you've been putting off because your natural self-assurance makes people more receptive to you.

♄ Saturn ∟ Semi sextile ☾ natal Moon ★

Over the coming weeks, you'll find it easier to **organize your feelings into practical steps** rather than getting stuck in emotional loops. Your emotional needs start to align with what you can actually do in your daily life, so you feel less pulled in two directions. This is a good time to set small routines that genuinely comfort you, since your practical side and your emotional side are working together instead of against each other.

♁ Chiron △ Trine ♃ natal Jupiter

While this lasts, you're more willing to talk about what actually hurt you in the past without getting stuck in blame. Your **practical honesty about your own weak spots** makes people trust you more, and they often open up to you about theirs. Over the coming weeks, this becomes an actual advantage in your relationships and work because you can help others without pretending you have all the answers.

♂ Mars * Sextile ♀ natal Mercury

Your thinking becomes **sharper and more direct** right now, and you find it easier to say what you actually mean without getting stuck in hesitation. You handle practical problems faster because your mind and your drive are working together instead of pulling in different directions. These days you're more likely to speak up in conversations, write that email you've been avoiding, or tackle a task that requires both quick thinking and real action.

♁ Chiron ♂ Conjunction ☉ natal Sun

Over the coming weeks you become more aware of the ways you've adapted yourself to please others, and you start to notice which of your natural strengths you've downplayed or hidden. This awareness can feel uncomfortable because it shows you how much energy you've spent managing other people's reactions instead of trusting your own judgment. The practical shift is that you'll catch yourself mid-compromise and feel genuine resistance, which gives you a real chance to make different choices about how much you bend.

♃ Jupiter Rx · ♄ Capricorn

Ambitions and long-term structures built on optimistic assumptions are being tested right now. Career growth or institutional commitments that seemed on track may require more realistic adjustment than you had planned. Reviewing what is genuinely working in your long-term strategy before continuing to build is the most productive use of this period.

☉ Sun ☿ Quincunx ♃ Jupiter

These days you feel pulled between wanting to take action and doubts about whether you're doing enough, which can leave you **restless and second-guessing your choices**. Your confidence in what you're doing right now doesn't quite match what you think you should be doing, so you might start something and then hesitate or change direction. This mismatch between your actual situation and your sense of what's possible tends to create practical friction rather than clear obstacles.

☉ Sun ☐ Square ♄ Chiron

Right now you are more aware of your own weak spots and past hurts, which makes it harder to feel confident in what you're doing. You might find yourself **second-guessing your choices** or feeling like you're not good enough, even when you're performing well. This psychological self-doubt is temporary, but it takes real effort to push through it and keep moving forward.

☾ Moon △ Trine ♀ Mercury

Right now it feels easier to say what you actually mean without stumbling over your words or worrying what others will think. Your **thoughts match your feelings**, so conversations flow naturally and people understand you the first time. This is a good window for sorting through something confusing, making plans, or having an honest talk that you have been putting off.
