KEY DATE

♂ Mars enters ♈ Aries

Mars in *Aries* brings **directness and speed** to how people push for what they want, whether at work or in conversations. You'll notice people **act faster** on decisions and speak up more bluntly instead of holding back, which can get things done quickly but also create friction if someone feels steamrolled. In practical terms, this is when **competition heats up** — at the gym, in meetings, on projects — and people have less patience for delays or obstacles.

KEY TRANSIT FACTORS

☉ Sun △ Trine ♇ natal Pluto ★

You're able to see through situations right now and spot what actually matters instead of getting distracted by surface details. This clarity gives you **quiet confidence** to make decisions you've been putting off, whether at work or in personal relationships. Over the coming weeks, people tend to trust what you say because you come across as genuinely straightforward.

☉ Sun △ Trine ♃ natal Jupiter ★

Right now you find it easier to take reasonable risks and see possibilities instead of obstacles in your practical situations. You feel more confident in social settings and people respond well to your **natural optimism**, which makes conversations flow and opportunities show up. This period is ideal for pitching ideas, asking for what you want, or starting something new because your timing feels right and your judgment is solid.

☉ Sun ★ Sextile ♊ natal NNode ★

Right now you find it easier to **act in ways that feel genuine to you** without second-guessing yourself. People respond well to this straightforward version of you, and conversations that matter tend to go smoothly. Over the coming weeks, this natural confidence makes it practical to take small steps toward things you actually care about.

♀ Venus △ Trine ☉ natal Sun

Right now you feel more **comfortable being yourself around others**, and people respond well to that ease. You are more likely to say yes to social invitations and actually enjoy them instead of overthinking beforehand. This period is ideal for smoothing over small rifts in relationships or simply spending time with people who genuinely like you.

♁ Chiron △ Trine ♃ natal Jupiter

While this lasts, you're more willing to talk about what actually hurt you in the past without getting stuck in blame. Your **practical honesty about your own weak spots** makes people trust you more, and they often open up to you about theirs. Over the coming weeks, this becomes an actual advantage in your relationships and work because you can help others without pretending you have all the answers.

♄ Saturn Rx · ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun △ Trine ♃ Chiron

Right now you find it easier to **talk about what actually happened to you** without getting defensive or ashamed. Your practical ability to understand your own patterns improves, and you can explain your mistakes to others without needing to apologize repeatedly. This makes conversations feel clearer and less emotionally exhausting than usual.

☾ Moon □ Square ♿ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.
