## SOLAR ANALYSIS

### Solar ASC ♋ Aquarius → natal H7 — Partnerships

Relationships take center stage this year. A **significant partnership — romantic, professional, or legal** — becomes the year's defining context. You're learning about yourself through others, and the quality of your close relationships will determine much of what this year means to you. Important people enter your life, existing bonds deepen or clarify. **How you show up for others and what you ask in return** is the year's central question.

### Dispositor ♅ Uranus → ♊ Gemini · natal H11 — Community & Goals

With the dispositor in the eleventh house, the year's themes **express through community, collective goals, and the future**. Social networks, group affiliations, and long-term aspirations become the channel. The year's energy flows most productively when you're working toward shared goals with others who share your values. **Friendships and alliances** are not just support — they're the mechanism through which this year's potential gets realized.

### Singleton: ♆ Neptune (Fire)

One planet carries your entire fire element — all impulse, confidence, and forward drive flows through it alone. When that planet is strong or well-aspected, you can be surprisingly decisive and energised. When it is under pressure or retrograde, motivation drops sharply and impatience turns inward. **You tend to act in concentrated bursts** rather than maintaining steady momentum, which can make you highly effective in short intense efforts but harder to sustain over long stretches without clear direction.

### Missing element: Water

No planets in water signs means emotional depth, intuition, and sitting with feelings are not natural defaults. You tend to handle emotions through action, analysis, or practical problem-solving rather than experiencing them directly. **To compensate, you often engage emotional life through close relationships** — letting others carry the emotional texture that does not flow easily for you. Building deliberate space for private reflection helps you stay genuinely connected to your own inner life rather than discovering feelings only when they become unavoidable.

#### ☾ Solar Moon → natal H8 cusp

0.0°

Your feelings about shared money, inheritance, or deep partnerships will become very intense this year. You may need to **have honest conversations about finances or emotional trust** with people close to you. **Your moods will make you more aware of hidden feelings in relationships**. This is a time to work through any buried emotions with honesty and care.

#### ☾ Natal Moon → solar H4 cusp

0.7°

Your natural need for emotional security becomes the central theme this year. The places and people that make you feel cared for will matter more than usual. **Your instinct to nurture and protect** will show up regularly in your daily life. You may find yourself **creating comfort and stability** wherever you are.

### ♁ Chiron ∠ Semi sextile ♁ natal Chiron

You find yourself more willing to talk about things that normally feel difficult or private, and people respond better than you expected. This period brings a quieter kind of confidence where you stop pretending everything is fine and actually **admit what you struggle with**. Small conversations about real problems start to shift how you feel about yourself and what you thought you had to hide.

### ♊ NNode △ Trine ♃ natal Jupiter

These days you're naturally drawn toward people and situations that expand your world in practical ways. You find yourself **saying yes to opportunities** that normally would feel risky, and they tend to work out because you're reading social situations more accurately than usual. This is a good window to pursue something you've been putting off — a conversation, a course, a connection — because your timing and judgment are genuinely sharper right now.

### ♊ NNode △ Trine ☉ natal Sun

Right now you find it easier to **say what you actually want** instead of staying quiet or going along with others. People around you respond well to your directness because it comes across as honest rather than aggressive. Over the coming weeks, you might notice doors opening simply because you stopped hiding what matters to you.

### › Moon · solar H6 rul. \* Sextile ♂ natal Mars

Right now you feel **more willing to act on what you want** instead of sitting with frustration. Your emotional state and your drive are actually pointing in the same direction, so small tasks feel less like pushing a boulder uphill. Over the coming weeks, you'll likely notice you're quicker to start conversations, make decisions, or tackle projects that have been sitting around.

### ⊙ Sun · solar H7 rul. ♂ Conjunction ⊙ natal Sun

Your sense of what you want from life becomes clearer right now, and you naturally act on it more directly. You feel more confident in social and professional situations, which means people respond better to you. This is a good window to start something new or push forward with a goal you've been sitting on.

### ♃ Mercury · solar H4/H5/H8 rul. ♁ Opposition ♂ natal Mars

Right now you're more likely to say things you regret, especially when someone disagrees with you or moves too slowly. Your **impatience with others' words and ideas** is heightened, making conversations feel combative even when they don't need to be. Over the coming weeks, watch for a pattern where you interrupt, argue about details, or push your point too hard instead of listening.

### ♃ Mercury · solar H4/H5/H8 rul. \* Sextile ♀ natal Venus

You find it easier to say what you actually mean to people you care about, and they respond well to your honesty. **Your words come across as warm and thoughtful** instead of rushed or clumsy, which helps conversations feel closer. Over the coming weeks, this is a good time to have the talks you've been putting off or to express appreciation to someone who matters to you.

### › Moon · solar H6 rul. \* Sextile ♀ natal Venus

While this lasts, you find it easier to express affection and say what you actually appreciate about people in your life. Your **warmth comes across naturally**, and others respond well to you without you having to try hard. These days are good ones to reach out to someone you care about or do something kind that you have been putting off.
