KEY TRANSIT FACTORS

♂ Mars ☍ Opposition ♂ natal Uranus ★

Right now you're more **irritable and impulsive than usual**, and you're picking fights with people who usually don't bother you. Your need to break free from routine is so strong that you're making reckless decisions without thinking about the consequences. Over the coming weeks, you'll need to put real effort into slowing down before you act, or you'll damage relationships and create practical problems you'll regret.

♂ Mars ☐ Square ♀ natal Venus ★

Right now you're more likely to push people away when you want to pull them closer, because **your impulses feel sharp and your patience for nuance has disappeared**. If you're in a relationship, small disagreements can escalate quickly because you're expressing wants bluntly instead of listening to what the other person needs. Over the coming weeks, notice when you're acting on frustration rather than affection, because that awareness is what stops you from damaging something you actually care about.

♂ Mars ☿ Quincunx ♃ natal Mercury ★

These days you're noticing a mismatch between what you want to say and what actually comes out, making conversations feel awkward or incomplete. Your thoughts move fast but your words struggle to keep up, so you end up **revising what you've said mid-sentence or backtracking** to clarify yourself. This friction usually settles once you slow down and write things out before speaking, rather than trying to think and talk at the same time.

♁ Chiron △ Trine ♂ natal Uranus

You find it easier to **think clearly about what you actually want to change** in your life without getting stuck in doubt or fear. Your practical side connects with your need for independence, so you can plan real steps toward breaking old patterns instead of just daydreaming about them. These days you notice you're less defensive about feedback and more willing to try new approaches, which makes tackling problems feel less exhausting.

♇ Pluto ☍ Opposition ♄ natal Saturn

You're running into **hard limits on what you can control** right now, and it feels frustrating because the rules keep changing. Your usual strategies for staying organized and on top of things stop working, forcing you to admit where you've been rigid or out of touch with reality. Over the coming weeks, this friction between what you thought was solid and what's actually true will push you to rebuild your approach to work, responsibility, and how you manage your time.

♃ Mercury Rx · ♉ Taurus

Mental processes slow noticeably and a stubbornness in thinking makes it harder than usual to change your mind. These days you may return to financial decisions, possessions, or value-related questions that seemed settled. Take your time — the careful review you do now will save costly corrections later.

☉ Sun ☿ Quincunx ♅ Pluto

Right now you might feel **out of step with your own needs**, as if what you want and what's actually happening don't quite match up. You notice yourself making small adjustments to stay in control of a situation, only to realize those tweaks aren't really working. This mismatch between your intentions and real results can leave you feeling frustrated until you accept that some things need to shift more completely than you planned.

☉ Sun △ Trine ♁ NNode

Right now you find it easier to **do what actually suits you** instead of what you think you should do. People around you notice you seem more confident in small choices, like speaking up in meetings or trying something new without overthinking it. This period supports you in building habits and friendships that feel genuinely right for your life.

☾ Moon □ Square ♀ Venus

Right now your **emotional needs feel at odds with what you actually want** — you might crave closeness but feel irritable when someone gets near, or want to be alone but then feel rejected. This mismatch between *Moon* and *Venus* makes it harder to communicate what you need without sounding demanding or cold. Over the coming weeks, pay attention to these moments so you can spot the pattern and name it out loud before resentment builds up.
