KEY DATE

♇ Pluto stations Direct

When *Pluto* stations direct, **stuck situations finally start to shift** — whether that's a delayed decision at work, a relationship stalemate, or a project waiting for approval. *Pluto* retrograde tends to lock things in place, so you'll notice **momentum returning** and people becoming willing to commit or move forward where they've been hesitant. Over the next few weeks, whatever felt **blocked or unclear becomes easier to see and act on**, though real change still takes time.

KEY TRANSIT FACTORS

♄ Saturn □ Square ♃ natal Jupiter

Right now you are running into real limits on plans you thought were solid, and it feels frustrating because you expected things to move faster. Your natural **optimism about what's possible hits a wall**, and you have to sit with delays, rejections, or the plain fact that something costs more than you budgeted. Over the coming weeks, this friction between your hopes and actual circumstances forces you to get honest about what you can actually do, which is uncomfortable but necessary.

♇ Pluto ∠ Semi sextile ♃ natal Jupiter

Over the coming weeks, you feel quietly **more willing to take practical steps toward your goals** without the usual second-guessing. *Pluto* is softly encouraging *Jupiter's* natural optimism, so small efforts you make tend to compound into real progress. This is a good time to act on plans you've been sitting with, because your confidence and follow-through are aligned right now.

☾ Moon qx Quincunx ♃ natal Mercury

Over the coming weeks, you find it hard to say exactly what you mean even though you know what you're thinking. Your words come out **awkward or incomplete**, and people sometimes misunderstand you or ask you to repeat yourself. This mismatch between what's in your head and what comes out of your mouth will pass, but right now it's worth slowing down and checking that others actually understand you before moving on.

♃ Jupiter □ Square ♁ natal Chiron

Right now your **tendency to overestimate what you can fix** is causing real friction in your relationships and work. You are pushing too hard to solve problems that belong to other people, and they are pulling back or getting annoyed with your interference. Over the coming weeks, you will need to learn where your actual limits are by running into them repeatedly.

♆ Neptune △ Trine ♄ natal Saturn

Right now you find it easier to stick with practical plans without getting frustrated by delays or setbacks. **You stay calm under pressure** and actually follow through on responsibilities that usually feel like a burden. This period gives you a real chance to build something solid, whether that's finishing a project, organizing your life, or keeping commitments you normally struggle to maintain.

☉ Sun ☿ Quincunx ☾ Moon

At the moment, your **emotional needs and practical goals are pulling in different directions**, and this creates a low-level discomfort that's hard to name. You might feel restless or slightly out of sync—your body wants one thing while your mind is focused on something else entirely. This isn't a crisis, but it does mean you'll need to make small adjustments throughout the day to feel more settled.

☉ Sun ☿ Quincunx ♃ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.

♃ Mercury ☐ Square ♃ Jupiter

Right now *Mercury* square *Jupiter* makes you say more than you mean to say, and people tend to take your words the wrong way. You feel **overconfident about what you know**, so you state opinions as facts without checking them first. This period creates real misunderstandings in conversations because you're not listening carefully enough to what others actually need from you.

LUNAR DAY

Moon in ♈ Aries · Day 17 / 30 · Full Moon

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
