KEY TRANSIT FACTORS

♃ Jupiter * Sextile ♂ natal Mars

Over the coming weeks, you'll notice yourself **moving forward on things you've been putting off** without forcing anything. Your natural confidence is higher right now, so you take action more quickly and people respond better to what you're trying to do. This is a practical window where effort actually produces results, so starting a project or pushing a goal forward will feel less exhausting than usual.

♅ Uranus Δ Trine ♀ natal Venus

Over the coming weeks you are more willing to do things differently in your relationships and social life, and people respond well to this openness. You feel less concerned about what others think, which makes you **more authentic and relaxed** around people you care about. This natural ease draws others toward you and creates space for real connection instead of performing what you think you should be.

♃ Jupiter Δ Trine ♁ natal Uranus

Over the coming weeks, you'll find yourself more willing to take practical risks and try new approaches without the usual anxiety holding you back. Your mind works faster than normal, and you spot solutions others miss because you're not stuck in old habits. This is a good time to pitch ideas at work, start something you've been putting off, or reorganize your life in ways that actually feel liberating instead of chaotic.

♄ Saturn □ Square ♁ natal NNode

Right now you feel **stuck between what you want to do and what you think you should do**, and this friction is making you second-guess your choices. People and situations are pushing back on your plans in ways that feel unfair, forcing you to slow down and reconsider directions you were confident about. Over the coming weeks, you'll need to do the harder work of proving to yourself—and others—that your choices actually matter, rather than just moving forward on assumption.

♀ Venus ♂ Conjunction ♁ natal Chiron

Right now you are more willing to talk about what hurts you, and people respond with genuine care instead of judgment. You notice **old insecurities feel less raw** when you mention them out loud—someone's kindness or interest makes the shame fade a little. Over the coming weeks, small acts of acceptance from others will matter more to you than they normally do.

☉ Sun * Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

☉ Sun ✳ Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

☉ Sun ☌ Conjunction ♅ Uranus

At the moment, you feel **restless and impatient with routines that normally work fine**. You might suddenly want to change something about how you look, where you work, or how you spend your time, even if there's no real problem. This push to break free or do something different is normal right now, so notice what you actually want to change versus what's just nervous energy looking for an outlet.

LUNAR DAY

Moon in ♋ Pisces · Day 25 / 30 · Last Quarter

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.

CLOTHING & JEWELRY

Thursday · ♃ Jupiter · Venus in Capricorn

Thursday is Jupiter's day — deep blue or royal indigo invites expansion and optimism. Amethyst worn as a ring or necklace supports wisdom and measured confidence.
